Hett, 2021-09-03 A uniquely Canadian approach to multicultural counselling In a country as diverse as Canada a multicultural counselling approach provides an essential starting point for working with people from different ethnicities sexualities gender identities abilities and religious backgrounds Bringing Canadian perspectives to the field of multicultural counselling this collection provides practical approaches to counselling in Indigenous Asian Black Canadian Hispanic South Asian and LGBTQ2 communities among others along with advice for treating migrant and refugee clients The third edition of Diversity Culture and Counselling addresses crucial issues such as systemic racism immigration policy climate change and discriminatory policies reflecting the many changes that have arisen in Canada since the publication of the second edition Along with an all new chapter on counselling during a national crisis each chapter has been revised to reflect the current state of diversity in Canadian counselling with contributors from a range of backgrounds

Race, Culture And Counselling Lago, Colin, 2005-11-01 This substantially revised edition builds upon the foundations laid down in the first edition which addressed amongst other subjects issues of race and power cultures and their impact upon communication and a review of the dominant theoretical discourses influencing counselling and psychotherapy and how these might impact upon mixed identity therapeutic relationships Canadian Social Work Review, 2005 *Essay Essentials with Readings* Sarah Norton, Brian Green, 2005-11 Full of tips examples and exercises *Essay Essentials with Readings 4e* takes a straightforward practical approach to writing by emphasizing the key writing steps planning drafting revising editing and how to apply them to essay composition Interspersed readings appeal to students while illustrating the various rhetorical modes While the focus of this text is on essay writing skills and techniques the fourth edition also contains a review of sentence level composition American Book Publishing Record, 2003 Canadian Journal of Counselling, 2007

Cultural Diversity, Educational Equity and the Transformation of Higher Education Michael Benjamin, 1996-07-11 Cultural diversity policy in higher education requires detailed knowledge of the groups in question guiding principles and insight into universities as complex ecological systems

The integration of these elements becomes the basis for proposing a variety of changes whose enactment would transform the university as we now know it Across North America making a comfortable place for ethnic minority students in higher education has become a hot topic Known as cultural diversity or educational equity this trend will likely play an important role in higher education over at least the next decade especially in light of on going demographic changes that will see Whites lose their population majority The result has been a growing literature the thrust of which is that policy and programming must be based on respect for difference This value is necessary but not sufficient to adequate planning and implementation of diversity policy and by itself may give rise to practice that is as likely to be harmful as helpful This book highlights and explores three additional elements judged crucial to diversity policy First clearer understanding of major ethnic minority groups second first principles upon which diversity policy should be grounded and third insight into the university as a complex ecological system Out of the integration of these elements emerges proposals for a variety of policy and programmatic changes that give substance to cultural diversity policy In turn full realization of diversity policy would involve the transformation of higher education as we now know it and together with like policies in other areas help to create the pluralistic society of the 21st century An important professional tool for administrators and faculty in higher education
