**A Plague of Prisons** Ernest Drucker, 2013-05-28 The public health expert and prison reform activist offers meticulous analysis on our criminal justice system and the plague of American incarceration The Washington Post An internationally recognized public health scholar Ernest Drucker uses the tools of epidemiology to demonstrate that incarceration in the United States has become an epidemic a plague upon our body politic He argues that imprisonment originally conceived as a response to the crimes of individuals has become mass incarceration a destabilizing force that damages the very social structures that prevent crime Drucker tracks the phenomenon of mass incarceration using basic public health concepts incidence and prevalence outbreaks contagion transmission potential years of life lost The resulting analysis demonstrates that our unprecedented rates of incarceration have the contagious and self-perpetuating features of the plagues of previous centuries Sure to provoke debate and shift the paradigm of how we think about punishment *A Plague of Prisons* offers a novel perspective on criminal justice in twenty-first century America How did America's addiction to prisons and mass incarceration get its start and how did it spread from state to state Of the many attempts to answer this question none make as much sense as the explanation found in this book The Philadelphia Inquirer *Prison Segregation* Ellie

Brown, 2023-04-21 *Prison Segregation: The Limits of Law* explores the use of segregation in English prisons by examining how law is used and experienced and how human rights are upheld It draws on empirical research through interviews with staff and prisoners to understand how law works or not in a site of the prison which is traditionally characterised by real imbalances of power The book draws on one of the first research studies of its kind an in-depth ethnographic study of law culture and norms within the segregation unit It adopts a socio-legal perspective to explore i how segregation is and should be used in prisons and how the law sets the parameters of that usage in theory ii the complex web of laws and rules as applies to segregation and their relationship with the actors responsible for their implementation iii how laws and rules can be undermined by the culture and context within which they are implemented It relies on the voices of prisoners and staff as well as observations and descriptions to bring experiences to life The accounts from staff and prisoners sometimes joyous sometimes harrowing provide a rich and rare insight into the segregation unit It provides access to and insights into parts of our criminal justice system which are typically impenetrable Whilst it is an academic study of law and power in segregation units and prison more broadly it is also a very human account of lived experiences The book is multi-disciplinary in nature and will appeal to those with an interest in law sociology criminology and psychology It will also appeal to those seeking to understand socio-legal research methods in the field of criminal justice However the book is also pragmatic and has a number of recommendations which would be of interest to practitioners lawyers prison managers and policy makers

*Handbook on Prisons* Yvonne Jewkes, Ben Crewe, Jamie Bennett, 2016-02-23 The second edition of the *Handbook on Prisons* provides a completely revised and updated collection of essays on a wide range of topics concerning prisons and

imprisonment Bringing together three of the leading prison scholars in the UK as editors this new volume builds on the success of the first edition and reveals the range and depth of prison scholarship around the world The Handbook contains chapters written not only by those who have established and developed prison research but also features contributions from ex prisoners prison governors and ex governors prison inspectors and others who have worked with prisoners in a wide range of professional capacities This second edition includes several completely new chapters on topics as diverse as prison design technology in prisons the high security estate therapeutic communities prisons and desistance supermax and solitary confinement plus a brand new section on international perspectives The Handbook aims to convey the reality of imprisonment and to reflect the main issues and debates surrounding prisons and prisoners while also providing novel ways of thinking about familiar penal problems and enhancing our theoretical understanding of imprisonment The Handbook on Prisons Second edition is a key text for students taking courses in prisons penology criminal justice criminology and related subjects and is also an essential reference for academics and practitioners working in the prison service or in related agencies who need up to date knowledge of thinking on prisons and imprisonment

Women's Imprisonment in Eastern Europe Arta Jalili Idrissi, 2023-11-16 The first qualitative study based on an ethnographic approach to women's carceral experiences in Latvia this book draws parallels across Eastern Europe and throughout the neoliberal West to provide a refreshing and timely addition to the study of criminology and the sociology of imprisonment

**A History of Women's Prisons in England** Susanna Menis, 2019-11-19 This book presents a revisionist prison history which brings to the forefront the relationship between gender and policy It examines women's prisons in England from the late 18th century to the beginning of the 20th century drawing attention to the detrimental effect the orthodox closed prison has on penal reform The text investigates the clash between what was conceptualised as desirable prison policy and the actual implementation and implications of such a penalty on the prisoner It challenges previous claims made about the invisibility of women prisoners in historical penal policy and provides an original analysis of the open prison taking HMP Askham Grange as a case study where the history of such an initiative is explored and debated

**Restorative Justice** Theo Gavrielides, 2017-09-19 The legitimacy and performance of the traditional criminal justice system is the subject of intense scrutiny as the world economic crisis continues to put pressure on governments to cut the costs of the criminal justice system This volume brings together the leading work on restorative justice to achieve two objectives to construct a comprehensive and up to date conceptual framework for restorative justice suitable even for newcomers and to challenge the barriers of restorative justice in the hope of taking its theory and practice a step further The selected articles start by answering some fundamental questions about restorative justice regarding its historical and philosophical origins and challenge the concept by bringing into the debate the human rights and equality discourses Also included is material based on empirical testing of restorative justice claims especially those impacting on reoffending rates victim satisfaction and reintegration The volume concludes with a critique of

restorative justice as well as with analytical thinking that aims to push its barriers It is hoped that the investigations offered by this volume not only offer hope for a better system for abolitionists and reformists but also new and convincing evidence to persuade the sceptics in the debate over restorative justice

[The Rush for Black Diamonds, Volume Two](#) George Walters-Sleyon,2025-11-18 The Rush for Black Diamonds Volume Two demonstrates the need for a Reform Prison Theology and a Holistic Penal Ethics in the United States and the United Kingdom England and Wales and Scotland As a descriptive analytic and prescriptive engagement it contends that colonialism and penal slavery are the modern vestiges of the transatlantic slave trade and the institution of chattel slavery also made possible by the Thirteenth Amendment of the US Constitution This book explores the transition from the institution of chattel slavery to colonialism and penal slavery prior to and after 1970 by the superpowers of the transatlantic slave trade including the US France and the UK It shows the intersections of the economic and racial influences of chattel slavery the Black Codes the preservation of the cult of White supremacy on the development of the post 1970 penal industries and their collateral effects of the high rates of prisoner deaths in the US and the UK Like John Locke and Thomas Jefferson Volume Two argues that Immanuel Kant provided the most concise philosophical claims for the emergence of the cult of White supremacy and its militant preservation through the Invisible Empire of the Ku Klux Klan against Black humanity

**Losing the Race** David Gadd,Bill Dixon,2018-04-17 Based on a two year research project funded by the Economic and Social Research Council ESRC this book explores why many of those involved in racially motivated crime seem to be struggling to cope with economic cultural and emotional losses in their own lives Drawing on in depth biographical interviews with perpetrators of racist crimes and focus group discussions with ordinary people living in the same communities the book explores why it is that some people and not others feel inclined to attack immigrants and minority ethnic groups The relationships between ordinary racism racial harassment and the politics of the British National Party are also explored as are the enduring impacts of deindustrialisation economic failure and immigration on white working class communities The book assesses the legacy of New Labour policy on community cohesion hate crime and respect in terms of its impact on racist attitudes and racist incidents and explores how it is that racist attacks including racist murders continue to happen

*Pre-trial Detention in the European Union* A. M. van Kalmthout,Marije M. Knapen,Christine Morgenstern,2009

**The Oxford Encyclopedia of Latinos and Latinas in the United States** Suzanne Oboler,Deena J. González,2005 A landmark scholarly work The Oxford Encyclopedia of Latinos and Latinas in the United States offers comprehensive reliable and accessible information about the fastest growing minority population in the nation With an unprecedented scope and cutting edge scholarship the Encyclopedia draws together the diverse historical and contemporary experiences in the United States of Latinos and Latinas from Mexico Puerto Rico Cuba the Dominican Republic Central America South America Europe Asia and the Middle East Over 900 A to Z articles ranging in length from 500 words to 7 500 words written by academics scholars writers artists and journalists address such broad topics as identity art politics

religion education health and history Each entry has its own bibliography and cross references and is signed by its author Essential for scholarly and professional researchers as well as the classroom and library The Oxford Encyclopedia of Latinos and Latinas in the United States will fill a void in the historical scholarship of an under served population **Public Administration and Law, Third Edition** David H. Rosenbloom, Rosemary O'Leary, Joshua Chanin, 2010-06-23 Previous edition 2nd published in 1997 first edition 1983 entitled Public administration and law bench v bureau in the United States Freedom from Our Social Prisons Anthony George Ravlich, 2008-06-19 It is argued that under neoliberalism the only way for the underclass and those pursuing their dreams outside of the neoliberal square to gain social justice is from the bottom up At present economic social and cultural rights are rising on the United Nations agenda but their core minimum obligations which emphasise the most disadvantaged are being ignored These core minimum obligations such as the right to shelter and primary health care involve top down provision *Rules for the Government of the Prison of the County of Oxford, Called the Oxford Castle* Oxford Castle (Prison), 1855 *Nutrition in Institutions* Maria Cross, Barbara MacDonald, 2009-01-20 This text covers major aspects of nutrition in such institutions The book is divided into six sections which cover history special considerations policies stakeholders financial considerations catering details and recommendations **História das prisões no Brasil I** Clarissa Nunes Maia, Marcos Paulo Pedrosa Costa, Marcos Luiz Bretas, Flávio de Sá Neto, 2017-04-13 Organizados por Clarissa Nunes Maia Flávio de Sá Neto Marcos Costa e Marcos Luiz Bretas os dois volumes de Histórias das prisões no Brasil trazem uma inédita contribuição da academia para a reflexão sobre um tema espinhoso desde os tempos coloniais o cárcere e o sistema prisional brasileiro Reunindo pela primeira vez pesquisas originais e trabalhos monográficos produzidos em universidades de todo o país a obra recupera os sentidos históricos da prisão no Brasil e enriquece o atual debate sobre violência e segurança pública Ao tratar da detenção como um produto social construído e reconstruído ao longo da história os pesquisadores incluídos nesta coletânea provam que conhecer a prisão compreender uma parte significativa dos sistemas normativos da sociedade brasileira ao longo dos últimos séculos Comparando o sistema carcerário nas diferentes regiões do país e apontando suas diferenças e semelhanças jovens historiadores e renomados estudiosos produzem um conjunto heterogêneo de reflexões sobre as formas de controle social na história do Brasil Inaugurando o volume I o ensaio de Carlos Aguirre analisa as relações entre a história das prisões e a evolução das sociedades latino americanas no período de 1800 a 1840 observando como as conexões entre Estado e sociedade produzem regimes carcerários Em seguida Gizlene Neder chama a atenção para uma curiosa mistura entre cultura jurídica e cultura religiosa nos debates parlamentares que acompanharam a aprovação do Código Criminal do Império 1830 e do Código Penal republicano 1890 Veja também textos de Paloma Siqueira Fonseca Marcos Paulo Pedrosa Costa Ricardo Alexandre Ferreira Carlos Eduardo M de Araújo Thomas Holloway e Marilene Nunes Sant'Anna **The Oxford History of the Prison** Norval Morris, David J. Rothman, 1995-11-30 The word prison immediately evokes stark images forbidding walls spiked with

watchtowers inmates confined to cramped cells for hours on end the suspicious eyes of armed guards In *The Oxford History of the Prison* a team of distinguished scholars reveal how our ideas of crime and practices of punishment have changed over time and offer a vivid account of the rise and development of this critical institution The authors trace the persistent tension between the desire to punish and the hope for rehabilitation recounting the institution s evolution from the rowdy and squalid English jails of the 1700s to the sober and stark nineteenth century penitentiaries and finally to the big houses of the current American prison system The text also provides a gripping and personal look at the social world of prisoners and their keepers over the centuries In addition thematic chapters explore a variety of special institutions and other important aspects of prison history including the jail the reform school the women s prison political imprisonment and prison and literature Fascinating provocative and authoritative *The Oxford History of the Prison* offers a deep informed perspective on the rise and development of one of the central features of modern society capturing the debates that rage from generation to generation on the proper response to crime
