almost as often as he gives answers In *The Questions of Jesus* in John Douglas Estes crafts a highly interdisciplinary theory of question asking based on insights from ancient rhetoric and modern erotetics the study of interrogatives in order to investigate the logical and rhetorical purposes of Jesus questions in the Gospel of John While scholarly discussion about Jesus cares more for what he says and not what he asks Estes argues a better understanding of the rhetorical and dialectical roles of questions in ancient narratives sheds a more accurate light on both John s narrative art and Jesus message in the Fourth Gospel *A Classified Catalogue of Educational Works in Use in the United Kingdom and Its Dependencies in 1887 ...*, 1887

The Posing of Questions A. Wisniewski, 2013-11-27 This book is a study in the logic of questions sometimes called erotetic logic The central topics in erotetic logic have been the structure of questions and the question answer relationship This book doesn t neglect these problems but much of it is focussed on other issues The main subject is the logical analysis of certain relations between questions and the contexts of their appearance And our aim is to elaborate the conceptual apparatus of the inferential approach to the logic of questions Questions are asked for many reasons and for different purposes Yet before a question is asked or posed a questioner must arrive at it In many cases arriving at a question resembles coming to a conclusion there are some premises involved and some inferential thought processes take place If we agree that a conclusion need not be conclusive we may say that sometimes questions can play the role of conclusions But questions can also perform the role of premises we often pass from some initial question to another question In other words there are inferential thought processes we shall call them erotetic inferences in which questions play the roles of conclusions or conclusions and premises The inferential approach to the logic of questions focusses its attention on the analysis of erotetic inferences This book consists of eight chapters [A classified catalogue of ... education works in use in the United Kingdom and its dependencies](#) United Kingdom, 1887 **Becoming Collingwood** Spencer Kiefer Wertz, 2024-09-20 This book explores Collingwood s philosophical beliefs on art taste history and others central ideas of his time **A New**
