**Reiki-** Rei means "God's Wisdom / the Higher Power" and Ki is "life force energy". Reiki therefore means "spiritually guided life force energy".

The **Reiki** distance healing technique is used to send energies over a distance and treat clients.

**Reiki** creates balance and harmony in the recipient to promote healing.

A basic tenet of **Reiki** is that the flow of energy varies according to the degree of disharmony in the person or animal's body/mind.

**Reiki** energy flows freely from the healer's body to the recipient just like free flowing water. It relieves pain or stress from a part of the body with the greatest need.

**Reiki** energy works in harmony with all other forms of healing, including medicines, surgery, psychological care or any other method of alternative care.

83% studies show moderate to strong evidence supporting the merits of **Reiki** treatment.

About 4 000 000 people all over the world have taken atleast one level of **Reiki** training.
