Dolphin Pool:

The Dolphin Pool Yvonne West, 1989 **Dolphins, ETs & Angels** Timothy Wyllie, 1993-03 Wyllie begins by interacting telepathically with dolphin intelligence a perennial metaphor for the Wisdom of the Heart and is lead to similar spiritual liaisons with extraterrestrials angels and others The Unofficial Guide to the Disney Cruise Line 2016 Len Testa, Erin Foster, Laurel Stewart, Ritchey Halphen, 2016-01-05 Describes the amenities and destinations of a Disney Cruise Line vacation

Dolphin Doctor Sam H. Ridgway, 1995 This book is a personal record of Dr Sam Ridgway s personal experiences and it is an encomium an unabased story of praise about one special dolphin whom he still regards as his friend from the sea It all begins in 1962 when Dr Sam Ridgway was a young veterinary officer stationed at the Navy Marine Mammal Program at Pt Mugu Broken Butterfly Karin Finell, 2012-10-01 It all began with the bite of a mosquito Yes with a bite of this pesky but seemingly so innocuous little insect that had been sucking her blood Not just one but hundreds had punctured her arms and legs with red marks which later swelled to small welts Who would ever have thought that our family s life would become derailed that its tightly woven fabric would eventually fray and break all from the bite of a mosquito In November of 1970 the Finell family s lives were changed forever by a family vacation to Acapulco Seven year old Stephanie fell ill soon after their return to the United States but her mother Karin thinking it was an intestinal disorder kept her home from school for a few days She was completely unprepared when Stephanie went into violent convulsions on a Friday morning Following a series of tests at the hospital doctors concluded she had contracted viral equine encephalitis while in Mexico After a string of massive seizures one leading to cardiac arrest Stephanie fell into a six week coma When she awoke her world had changed from predictable and comforting to one where the ground was shaking Due to the swelling of her brain from encephalitis she suffered serious brain damage Doctors saw little hope of recovery for Stephanie and encouraged her parents to place her in an institution but they refused In Broken Butterfly Karin Finell recounts the struggles faced by both her and her daughter as well as the small victories won over the ensuing years Little was known about brain injuries during that time and Karin was forced to improvise relying on her instincts to treat Stephanie Despite the toll on the family alcoholism divorce and estrangement Karin never gave up hope for Stephanie s recovery By chance Karin heard of the Marianne Frostig Center of Educational Therapy where Dr Frostig herself took over the reprogramming of Stephanie s brain This in time led her to regain her speech and some motor skills Unfortunately Stephanie s intermittent seizures hung like the proverbial Sword of Damocles over their lives And while Stephanie grew into a lovely young woman her lack of judgment resulting from her injury led her into situations of great danger that required Karin to rescue her Karin s love for her daughter guided her to allow Stephanie to fill her life with as many positive experiences as possible Stephanie learned and matured through travel and exposure to music and plays acquiring a knowledge she could not learn from books Stephanie wished above all to teach other brain injured individuals to never look down on themselves but to live their lives to the fullest Through Stephanie s
