

## **Final Project: IT-Based Solutions for Real-World Issues**

Your team will use the right digital tools to identify a real-world problem and create an IT-based solution in this group project. Researching the issue, evaluating how technology may help, and presenting your results and solution in an organized and expert way are your objectives. You will utilize Canva to create captivating visuals, Google Sites to present your project, and Google Docs for documentation. This project applies fundamental IT ideas to real-world problems while fostering teamwork, creativity, and critical thinking.

### **Project Goals**

- Examine a real-world problem and determine whether IT can help.
- Use the right digital tools to record, display, and illustrate your research.
- Work well together as a team to produce an interesting and well-organized project.

### **Guidelines for the Project**

#### **Formation of Groups:**

There must be no more than ten members in each group. The group can choose who will be their members among their classmates. To guarantee equitable contributions, assign distinct tasks such as writer, researcher, designer, and website development.

#### **Select a Real-World Problem**

The following themes will be chosen by your group, and an IT-based solution will be suggested:

- **Cybersecurity Awareness** to teach people how to use the internet safely.
- **Data Privacy & Protection** to spread knowledge about protecting personal data.
- **Awareness of Misinformation and Fake News** for assisting users in recognizing trustworthy information.
- **Enhancing the security of online purchases and sales** through e-commerce and online transactions.
- **Digital literacy and online learning** for improving abilities for successful online learning.
- **Tools for Collaboration and Communication** for effective ways to work or learn remotely.
- **Cloud security and digital storage** by using the best practices for digital file management.
- **Using IT to assist people with impairments** is known as assistive technologies for PWDs.
- **Utilizing technology to enhance environmental sustainability** known as smart waste management.
- **IT solutions for emergency planning** are part of disaster preparedness and response.
- **Assisting small businesses in creating an online presence** through digital marketing and branding.
- **Apps for health and wellness: leveraging technology to enhance mental and physical health.**
