Life in the City

I'm Jill, and I'm from New York. I live in an apartment with my mom, dad, and sister. In the mornings, I typically walk to school, but when it's rainy, I take the subway. My mom is a teacher at my school, so we travel there together each day. My school is really large, with over 5,000 students, and it starts at 8:00 AM. I study subjects like math, English, Spanish, science, and computers. Spanish is my favorite class, and I try to do my best because I'm hoping to visit my family in Spain this summer.

For lunch, I usually bring a sandwich from home because I'm not a fan of the school lunches. After school, I play basketball with my friends. I also attend Drama Club once a week, which I enjoy a lot. I come home around 4:00 PM and relax for a bit. Although I like to watch TV at night, sometimes I need to do my homework instead. I look forward to weekends because I can sleep in and enjoy some free time.

On weekends, I like to go to the park and hang out. I don't have to rush like during the school week, so I can take my time and enjoy the day. It's a great way to unwind and relax. I always look forward to these moments of peace after a busy week at school.

1. What is Jill's favorite subject at school, and why does she study it so hard?

2. How does Jill usually get to school, and what changes when it rains?

3. What activities does Jill participate in after school, and what does she do on weekends?
