Heribert Hinzen, Ewa Przybylska, Monika Staszewicz, 2005 **Perspectives in Politics and Discourse** Urszula
Okulska, Piotr Cap, 2010 The volume explores the vast and heterogeneous territory of Political Linguistics structuring and
developing its concepts themes and methodologies into combined and coherent Analysis of Political Discourse APD Dealing
with an extensive and representative variety of topics and domains political rhetoric mediatized communication ideology
politics of language choice etc it offers uniquely systematic theoretically grounded insights in how language is used to
perform power enforcing imbuing practices in social interaction and how it is deployed for communicating decisions
concerning language itself The twenty chapters in the volume written by specialists in political linguistics critical discourse
analysis pragmatics sociolinguistics and social psychology address the diversity of political discourse to propose novel
perspectives from which common analytic procedures can be drawn and followed The volume is thus an essential resource
for anyone looking for a coherent research agenda in explorations of political discourse as a point of reference for their own
academic activities both scholarly and didactic Politics in today s world consists of almost continuous interconnected talking
and writing in a constantly expanding media universe This comprehensive collection of papers edited by Urszula Okulska and
