A Separate Reality:

Separate Reality Carlos Castaneda,2013-03-26 One can't exaggerate the significance of what Castaneda has done. The New York Times In this captivating work Carlos Castaneda shares the story of how he returns to don Juan to resume the journey necessary to become a man of knowledge venturing into the world of mystical sensation and perception to see beyond the surface realities of life. As the second volume in the intriguing twelve part series this book invites you to experience a reality beyond the ordinary. Delve into the profound teachings of the wise Yaqui Indian spiritual leader don Juan Matus as anthropologist Carlos Castaneda recounts his incredible apprenticeship. Through the exploration of hallucinogenic substances and ancient wisdom Castaneda challenges conventional perceptions leading readers into a deeply thought provoking journey of self discovery and consciousness exploration. Combining elements of anthropology and mysticism this masterpiece continues to captivate, inspire and influence those seeking deeper understanding and enlightenment. **A separate reality**,1977 **A Separate Reality** Carlos Castaneda,1975 **A Separate Reality** Robert Marshall,2006-10-10 Set in the early 1970s A Separate Reality is the story of Mark Grosfeld a twelve year old growing up in Phoenix with politically active liberal Jewish parents. Mark who is lonely and unhappy meets Anna Voigt a teacher who becomes his mentor. Anna an ex hippie poet encourages Mark to write and he becomes part of a circle of teenagers who meet at Anna's house to smoke pot and read poetry. She introduces him to the Beats, Zen Buddhism and the popular pseudo anthropologist Carlos Castaneda author of Journey to Ixtlan. Mark goes on a semi comic suburban vision quest trying to conduct his life according to the teachings he uncovers in the books he finds through Anna most significantly Castaneda's. Mark soon discovers all these books share the belief that through a loss of self one can somehow transcend reality. A Separate Reality is a novel about the risks and appeal of the desire to be perfect a portrait of the artist as a young man in the Seventies. A separate reality Carlos Castaneda,1975 A Separate Reality Selene Rossi,2016-06-30 A Separate Reality is a novella or short story which I value highly. It is about a woman who suffers from mood disorders depression or existential emptiness typical in today's society. She experiences periods of so called normality to periods of depression more or less accentuated in which everything is paralyzed and loses importance. Tired of this she makes a decision perhaps the only decision taken consciously or impulsively but definitely from within her soul to leave everything and go away for a while not even she knows where. She will come to terms with herself face to face with herself dive into her own unconscious in a separate reality in a parallel dimension with little importance. This woman will be helped by herself and a black cat and with the passing events in her life so many things will change. Until one day a ray of sunlight takes her away.
