**A Walk Across the Sun** Corban Addison, 2012-01-04 An unforgettable journey into the underworld of modern day slavery. A Walk Across the Sun begins on December 26 2004 as seventeen year old Ahalya Ghai and her younger sister Sita are walking on the beach outside their home in Chennai India. Suddenly the unimaginable happens a devastating tsunami hits the shore tearing their family apart instantly and leaving them orphaned and alone. As they attempt to travel toward safety inland they are kidnapped and delivered to a Mumbai brothel to begin new lives as captive prostitutes. In Washington DC a young lawyer Thomas Clarke is forced to take a sabbatical from his prestigious law firm. He chooses to serve his time with a non profit group working in the red light areas of Mumbai where his wife Priya has returned to live with her family following the tragic loss of their child. Little does he know that his reluctant penance will soon turn into an international quest for the woman he has lost and a child he has never met. Though separated by half a world the destinies of Thomas and the Ghai sisters become intertwined as Sita is trafficked to Paris and then New York. Before long Thomas is navigating the brutal system of international human trafficking in an effort to reunite the sisters and save Sita's life. Unflinchingly gritty yet ultimately hopeful A Walk Across the Sun is an eye opening tale of family and survival.

**A Harvest of Thorns** Corban Addison, 2017-01-24 A beloved American corporation with an explosive secret. A disgraced former journalist looking for redemption. And a corporate executive with nothing left to lose. In Dhaka Bangladesh a garment factory burns to the ground claiming the lives of hundreds of workers mostly young women. Amid the rubble a bystander captures a heart stopping photograph a teenage girl lying in the dirt her body broken by a multi story fall and over her mouth a mask of fabric bearing the label of one of America's largest retailers. Presto Omnishops Corporation. Eight thousand miles away at Presto's headquarters in Virginia Cameron Alexander the company's long time general counsel watches the media coverage in horror wondering if the damage can be contained. When the photo goes viral fanning the flames of a decades old controversy about sweatshops labor rights and the ethics of globalization he launches an investigation into the disaster that will reach further than he could ever imagine and threaten everything he has left in the world. A year later in Washington DC Joshua Griswold a disgraced former journalist from the Washington Post receives an anonymous summons from a corporate whistleblower who offers him confidential information about Presto and the fire. For Griswold the challenge of exposing Presto's culpability is

irresistible as is the chance however slight at redemption Deploying his old journalistic skills he builds a historic case against Presto setting the stage for a war in the courtroom and in the media that Griswold is determined to win both to salvage his reputation and to provoke a revolution in Presto's boardroom that could transform the fashion industry across the globe

**Kaapse bibliotekaris** ,2014 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957 **Wastelands** Corban Addison,2022-06-07 Beautifully written impeccably researched and told with the air of suspense that few writers can handle **Wastelands** is a story I wish I had written From the Foreword by John Grisham The once idyllic coastal plain of North Carolina is home to a close knit rural community that for more than a generation has battled the polluting practices of large scale farming taking place in its own backyard After years of frustration and futility an impassioned cadre of local residents led by a team of intrepid and dedicated lawyers filed a lawsuit against one of the world s most powerful companies and

miraculously they won As vivid and fast paced as a thriller Wastelands takes us into the heart of a legal battle over the future of America s farmland and into the lives of the people who found the courage to fight There is Elsie Herring the most outspoken of the neighbors who has endured racial slurs and the threat of a restraining order to tell the story of the waste raining down on her rooftop from the hog operation next door There is Don Webb a larger than life hog farmer turned grassroots crusader and Rick Dove a riverkeeper and erstwhile military judge who has pioneered the use of aerial photography to document the scale of the pollution There is Woodell McGowan a quiet man whose quest to redeem his family s ancestral land encourages him to become a better neighbor and Dr Steve Wing a groundbreaking epidemiologist whose work on the health effects of hog waste exposure translates the neighbors stories into the argot of science And there is Tom Butler an environmental savant and hog industry insider whose whistleblowing testimony electrifies the jury Fighting alongside them in the courtroom is Mona Lisa Wallace who broke the gender barrier in her small southern town and built a storied legal career out of vanquishing corporate giants and Mike Kaeske whose trial skills are second to none With journalistic rigor and a novelist s instinct for story Corban Addison s Wastelands captures the inspiring struggle to bring a modern day monopoly to its knees to force a once invincible corporation to change and to preserve the rights and restore the heritage of a long suffering community
