# A Woman Doing Life Summary

**Edwin Munsell Bliss**

## **A Woman Doing Life Summary:**

**The Routledge History of Women in Early Modern Europe** Amanda L. Capern, 2019-10-30 The Routledge History of Women in Early Modern Europe is a comprehensive and ground breaking survey of the lives of women in early modern Europe between 1450 and 1750 Covering a period of dramatic political and cultural change the book challenges the current contours and chronologies of European history by observing them through the lens of female experience The collaborative research of this book covers four themes the affective world practical knowledge for life politics and religion arts science and humanities These themes are interwoven through the chapters which encompass all areas of women s lives sexuality emotions health and wellbeing educational attainment litigation and the practical and leisured application of knowledge skills and artistry from medicine to theology The intellectual lives of women through reading and writing and their spirituality and engagement with the material world are also explored So too is the sheer energy of female work including farming and manufacture skilled craft and artwork theatrical work and scientific enquiry The Routledge History of Women in Early Modern Europe revises the chronological and ideological parameters of early modern European history by opening the reader s eyes to an exciting age of female productivity social engagement and political activism across European and transatlantic boundaries It is essential reading for students and researchers of early modern history the history of women and gender studies
