Blood On The Forge New York Review S Classics:

Bohemian Bolsheviks Alan M. Wald, 2025-04-03 The rubric *Bohemian Bolsheviks* captures Alan Wald's sustained fascination with persistent contradictions between the image of Left political commitment and the actuality of experience especially in relation to cultural work and cultural workers Marxist political alignment engages a welter of intimate and biographical factors enriching the record of a varied history of fiction poetry literary criticism and other intellectual practices Exploring a field of study marked by enduring paradoxes of modernity this volume is a sharp reminder that historical narrative not only shapes our sense of the terrain under our feet but also the horizon in front of us *Testing the Current*

William McPherson, 2013-01-08 Growing up in a small upper Midwestern town in the late 1930s young Tommy MacAllister is scarcely aware of the Depression much less the rumblings of war in Europe For his parents and their set life seems to revolve around dinners and dancing at the country club tennis dates and rounds of golf holiday parties summers on the Island and sparkling occasions full of people and drinks and food and laughter But curious as he is and impatient to grow up Tommy will soon come to glimpse the darkness that lies beneath so much genteel complacency hidden histories and embarrassing poor relations the subtle and not so subtle slighting of the help the mockery of President Roosevelt and the commandment they talked least about in Sunday school adultery In *Testing the Current* William McPherson subtly sets off his wide eyed protagonist's perspective with mature reflection and wry humor and surrounds him with a cast of vibrant characters creating a scrupulously observed portrait of a place and time that will shimmer in readers' minds long after the final page is turned

Wish Her Safe At Home Stephen Benatar, 2010-01-19 Rachel Waring is deliriously happy Out of nowhere a great aunt leaves her a Georgian mansion in another city and she sheds her old life without delay Gone is her dull administrative job her mousy wardrobe her downer of a roommate She will live as a woman of leisure devoted to beauty creativity expression and love Once installed in her new quarters Rachel plants a garden takes up writing and impresses everyone she meets with her extraordinary optimism But as Rachel sings and jokes the days away her new neighbors begin to wonder if she might be taking her transformation just a bit too far In *Wish Her Safe at Home* Stephen Benatar finds humor and horror in the shifting region between elation and mania His heroine could be the next door neighbor of the Beales of Grey Gardens or a sister to Jane Gardam's oddball protagonists but she has an ebullient charm all her own

The Use of Man Aleksandar Tisma, 2014-11-11 *The Use of Man* starts with an unexpected discovery World War II is ending Sređoje Lazuki has been fighting all through it Now as one of the victorious Partisans he has come home to Novi Sad He visits the house he grew up in Strangers nervously show him around He looks up the mother of Milinko his best friend Milinko's girlfriend Vera was the daughter of a Jew a bookish businessman Her house stands empty and open Venturing in Sređoje is surprised to find the diary of the German tutor that Milinko Vera and he all shared Frulein who died on the operating table just before the war Here however in a cheap notebook in Vera's old room is a record of Frulein's lonely days with the sentimental caption Po sie

The diary survived Sredoje survived Vera and Milinko have survived too But what survives A few years back Sredoje Vera and Milinko were teenagers struggling to make sense of life Life they now know can be more bitter than death A work of stark poetry and illimitable sadness The Use of Man is one of the great books of the 20th century New York Times Saturday Book Review Supplement ,1962-03 The Literary Digest International Book Review Clifford Smyth,1923 *Library Journal* Melvil Dewey,Richard Rogers Bowker,L.
