

## Reflection Narrative Paper Format

The format of a reflective essay greatly differs from the argumentative or research paper. A reflective essay is more of a well-structured story or a diary entry that's rife with insight and reflection. You might be required to arrange your essay using the APA style or the MLA format.

And the typical reflection paper length varies between about 300 and 700 words, but make sure to ask your instructor or employer about the word length if it was assigned to you. Even though this essay is about you, you should try to avoid too much informal language.

If your instructor asks you to format your paper in APA or MLA style, here are a few shortcuts:

### Reflective Narrative Essay in MLA Format

- Times New Roman 12 pt font double spaced;
- 1" margins;
- Top right includes last name and page number on every page;
- Titles are centered;
- The header should include your name, your professor's name, course number, and the date (dd/mm/yy);
- Last page includes a Works Cited.

### Reflective Narrative Essay in APA Style

- Times New Roman 12 pt font double spaced;
- 1" margins;
- Include a page header on the top of every page;
