

Make a Marble Run Activity

We will need:

- Some marbles
- Some glue
- A pair of scissors
- A set of templates (at least four copies of each page, except the sign) (or)

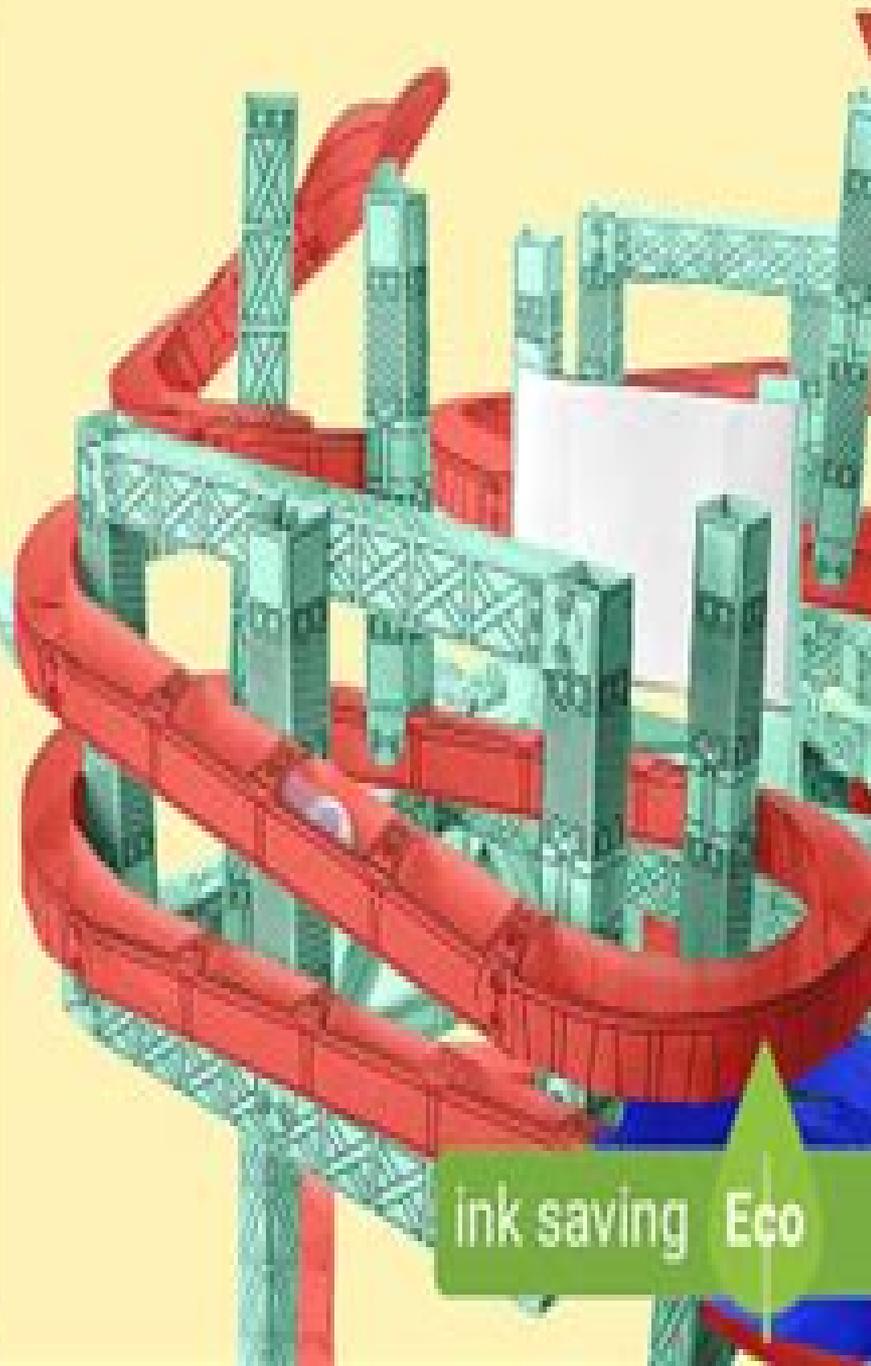

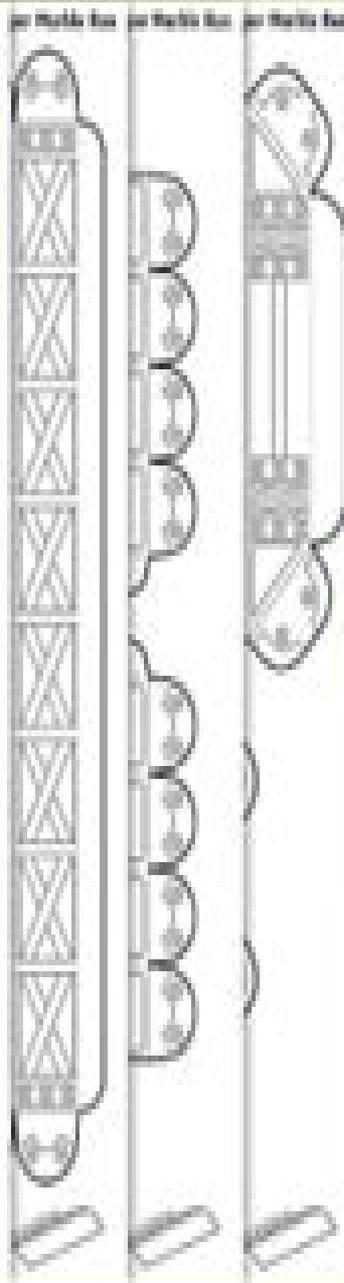

- | | | | |
|----------------|------------------|--------------------|--------------|
| 1. Board | 4. Long 45° | 9. Small Track | 11. Ring End |
| 2. Curber | Support Base | 10. Small 90° Turn | 12. Spacer |
| 3. Long Guide | 1. Small Support | 11. Large 90° Turn | 13. Sign |
| 4. Short Guide | 8. Long Track | 12. 90° Turn | |

First, cut out the templates. Some pages have multiple templates of different parts or cut along the solid black lines to separate them.

Multiple print runs will likely be required for you to make a marble run; the larger and more complex marble runs will need many paper copies of the main track parts (the guides, long tracks and turns).

Cut carefully along the solid black lines around the outside of each template, being careful not to cut off any tabs or cut through any dotted or dashed lines.

Now, fold all of the foldlines! The dotted lines fold down (a 'valley fold') and the dashed and dashed-dot lines fold up (a 'mountain fold').
