Bride Price:

The Dynamics of Bride Price in Zimbabwe and the UK Diaspora Ottis Mubaiwa, 2020-10-06 The tradition of Bride Price has been at the heart of marriage for many centuries in numerous cultures across the globe The Dynamics of Bride Price presents new research data from Zimbabwe and the UK highlighting the transnational dimension of the practice its diversity in different contexts and across generations and its influence on the structure of gender relationships and inequalities The transnational element of its investigation into the institution and traditions of African marriage sets this book apart from existing study and offers its readers a nuanced and complex understanding of the perceptions and experiences of Bride Price across diverse contexts This original contribution will be of great interest to those studying and teaching courses on Gender and Development as well as researchers and policymakers of cultural practices *Hmong Refugees in the New World* Christopher Thao Vang, 2016-02-03 Almost no one in the West had heard of the Hmong before National Geographic ran a cover story on the Southeast Asian ethnic group that had allied with the United States in the Vietnam War and few knew of them before their arrival in the U S and other Western nations in 1975 Originating in China centuries ago they have been known by various names Miao Meo Miaozi Meng or San Miao some of them derogatory The Hmong in the West are war displaced refugees from China and Laos though they have been misidentified as belonging to other ethnic groups This mislabeling has caused confusion about the Hmong and their history This book details the history of the Hmong and their journey from Eastern to Western countries providing a clear understanding of an immigrant culture little understood by the American public Instructors considering this book for use in a course may request an examination copy here **Women's Lives around the World** Susan M. Shaw, Nancy Staton Barbour, Patricia Duncan Ph.D., Kryn Freehling-Burton Ph.D., Jane Nichols, 2018-01-04 Providing an in depth look at the lives of women and girls in approximately 150 countries this multivolume reference set offers readers transnational and postcolonial analysis of the many issues that are critical to the success of women and girls For millennia women around the world have shouldered the responsibility of caring for their families But in recent decades women have emerged as a major part of the global workforce balancing careers and family life How did this change happen And how are societies in developing countries responding and adapting to women s newer roles in society This four volume encyclopedia examines the lives of women around the world with coverage that includes the education of girls and teens the key roles women play in their families careers religions and cultures how issues for women intersect with colonialism transnationalism feminism and established norms of power and control Organized geographically each volume presents detailed entries about the lives of women in particular countries Additionally each volume offers sidebars that spotlight topics related to women and girls in specific regions or focus on individual women s lives and contributions Primary source documents include sections of countries constitutions that are relevant to women and girls United Nations resolutions and national resolutions regarding women and girls and religious statements and proclamations

about women and girls The organization of the set enables readers to take an in depth look at individual countries as well as to make comparisons across countries

A Black Byzantium S. F. Nadel,2018-09-03 Originally published in 1942 this now classic book is a study of the Nupe of Northern Nigeria The economic and political complexity of their kingdom evoked comparisons with the civilization of Byzantium The detailed description and analysis of their social life and political institutions was the first study of a Muslim Emirate in Nigeria and as such is still an indispensable work

Towards Gender Equity in Development Siwan Anderson,Lori Beaman,Jean-Philippe Platteau,2018-10-22 As a result of widespread mistreatment and overt discrimination women in the developing world often lack autonomy Towards Gender Equity in Development brings together leading scholars working on gender issues to explore key sources of female empowerment and discuss the current challenges and opportunities for the future Exploring three key domains this book adopts a clear multi disciplinary approach to present different perspectives from gender focused economics and social research It covers marriage and women s relative bargaining position within the household the options available to women outside of marriage and in the context of their community and overarching discriminatory laws and cultural norms It engages with questions of how marriage divorce and remarriage practices have evolved and with what effects for women how female empowerment can benefit from improving options and economic and collective action opportunities and how the government can act as a lawmaker to contribute to modifying norms and practices that disadvantage women

Violence in Intimate Spaces Pinki Mathur Anurag,Santwana Dwivedy,2024-08-28 This book provides a textured understanding of intimate violence across the unlimited stretch of human relationships institutions and social structures The volume has been conceptualized with the overarching objective to provide the reader with a collection of thoughtfully selected chapters that critically examine existing literature for an in depth analysis of institutions through the lens of violence beyond disciplinary and topical boundaries from a range of methodologies The book encourages reflections on the complexities of society its institutions and gendered norms that enmesh violence and intimate relationships It further examines the socio normative contexts within which violence operates as a tool for maintaining inequalities in society The chapters in this volume attempt to address questions such as What are the complexities in the relationship between the perpetrator and the victim which sustain and legitimize violence What are the diverse dimensions of violence in intimate

relationships What role does violence in intimate spaces play in preserving status quo and the pervasive gendered hierarchies within society and its institutions Who is vulnerable to violence and why The book covers conversations on intimate space violence and relationships that have not been explored hitherto in mainstream academic debates The volume pivots violence fundamentally as a product of entitlements based on gendered social hierarchies and critical intersectionalities to examine its manifestations in a variety of intimate situations and relationships beyond socio cultural religious and geographical boundaries The book provides invaluable learnings for academics researchers students lawyers sociologists social workers health professionals and policymakers
