Jacobs, 2022-08-12 This book provides a comprehensive discussion on teaching ethics across various professions It covers historical and contemporary challenges evolving research theory and practice and offers future considerations for ethics educators The volume concludes with professional perspectives and an agenda for future ethics education **Learning from MacIntyre** Ron Beadle, Geoff Moore, 2022-06-30 Alasdair MacIntyre is one of the major philosophers of the late twentieth and early twenty first century Best known for *After Virtue* first published in 1981 his output spans seven decades and has been unusually wide ranging in its impact As MacIntyre enters his tenth decade this book pays tribute not just to his work but to its influence across

disciplines outside philosophy Beginning with an intellectual biography the chapters that follow written by leading scholars in their fields explore MacIntyre s contributions to theology Thomism moral philosophy classical philosophy political philosophy Marxism the Frankfurt School communication business ethics sociology education law and therapeutic method Essential reading for scholars from across these disciplines and for anyone who wishes to understand MacIntyre s contributions Learning from MacIntyre not only helps readers to appreciate what we may learn from this influential thinker but also illustrates his work s continuing significance going forward [Outlines and Highlights for Business Ethics by Richard DeGeorge, Isbn Cram101 Textbook Reviews,2013-01-01](#) Never HIGHLIGHT a Book Again Virtually all of the testable terms concepts persons places and events from the textbook are included Cram101 Just the FACTS101 studyguides give all of the outlines highlights notes and quizzes for your textbook with optional online comprehensive practice tests Only Cram101 is Textbook Specific Accompanys 9780205731930 **Attitudes Toward Business Ethics** Michael Sauerbrey,2010-09 Master s Thesis from the year 2010 in the subject Business economics Business Ethics Corporate Ethics grade 1 0 Aarhus School of Business Marketing und Statistik language English abstract Business is essential for the development and well being of a society However business does not exist in a vacuum but is simultaneously dependent on a number of stakeholders be it employees customers investors interest groups or the government In this sense an extensive and critical debate about the role and conduct of business and their associated corporate responsibilities in the community is taking place among academics and practitioners alike Thereby it is essential to consider that the practices of corporations are first and foremost resulting from decisions and behaviors of human beings Business students in their role as future managers are likely to be faced with critical ethical decisions in their daily work routine Thus investigating their moral mindset about aspects of business ethics is of great importance Therefore the purpose of this master thesis was first of all to critically reflect the academic literature and present a theoretical framework that addresses valuable concepts with regard to the good life and the just social coexistence of business and society In a second step a comprehensive empirical research was conducted which studied the attitudes toward aspects of business ethics among 1 271 business students in Denmark Germany and the United States using a self report online questionnaire Participants evaluated a wide range of questions regarding the moral dimensions underlying the relation of business and society They were furthermore asked to specify primary and social corporate responsibilities to define a well run company and to state personal criteria that are relevant for them in a notional job offer situation Gathered data were analyzed on differences among nationalities as well as on distinctions within the thr **Business Ethics** W. Michael Hoffman,Jennifer Mills Moore,1990 [Business Ethics](#) Robert Frederick,Mark S. Schwartz,2001 Can a corporation have a conscience What is wrong with reverse discrimination Can ethical management and managed care coexist Hoffman Frederick and Schwartz address these and many other current intriguing often complex issues in corporate morality This introductory business ethics text contains a thorough general

introduction on ethical theory 54 readings and 25 cases Divided into five parts each with an introduction that presents the major themes of its articles and cases the text contains an impartial point counterpoint presentation of different perspectives on the most important issues being debated in business ethics Each chapter ends with questions that can be used for student discussion review tests quizzes or for student assignments The fourth edition has 27 new readings 15 new cases and 10 new mini cases *Corporate Social Responsibility* James Weber, David Wasieleski, 2018-05-14 Volume Two of Business and Society 360 focuses on research drawn from work grounded in corporate social responsibility and corporate citizenship

Business Ethics Mark Schwartz, 1996 *Business Ethics in Action* Domènec Melé, 2009-06-25 It is argued that without neglecting efficiency or profits human well being should be the first priority of every business Business Ethics in Action defends the need to orient business to people Drawing on the author's extensive experience in teaching business ethics at one of Europe's leading business schools this textbook overcomes common approaches in which business ethics is presented exclusively as a tool for solving ethical dilemmas by applying principled theories Business Ethics focuses on both principles and virtues although emphasizing virtues as the key for human flourishing Through illustrative case studies and interesting pedagogy this book will be accessible and practical aiding students in applying the foundations and principles of business ethics to real world situations *Nestlé and its impact on the local community of a host country in the light of an ethical stakeholder theory* Malte Eilbracht, 2016-10-18 Essay from the year 2016 in the subject Business economics Business Ethics Corporate Ethics grade 1-3 University of Bristol language English abstract Starting with a short literature study on the impact of multinational companies in their host countries this essay gradually narrows the problematic down to the introduction of the case of Nestlé's Pure Life in Lahore Pakistan After illustrating the problem of Nestlé's impact on the local community in Lahore the stakeholder typology of Mitchell Agle Wood 1997 will be used as an example to evaluate under which premises stakeholder theory becomes an ethical theory before applying the ethically modified typology on the case

Radical Business Ethics Richard L. Lippke, 1995-11-07 Arguing against most scholars of business ethics who have articulated a set of moral principles and applied them to problems faced by business people Richard Lippke steers away from offering moral directives In *Radical Business Ethics* he develops a more comprehensive perspective on business issues that is tied to larger questions of social justice Analyzing a select group of timely issues such as advertising employee privacy and insider trading in the context of debates about the nature of the just society Lippke argues that the most plausible theory of justice is one whose implications are highly critical of many features of advanced capitalist societies *Radical Business Ethics* will be an eye opening book for students and scholars of ethics and anyone interested in the role business plays in a just society **Audiology** Holly Hosford-Dunn, Ross J. Roeser, Michael Valente, 2000 This three volume series is the new definitive textbook of audiology Consisting of three different sections diagnosis treatment practice management the set provides a current consistent comprehensive clinically oriented coverage of the profession of audiology The
