The program presented here combines popular yoga exercises with special Tibetan poses and methods of working from the inside to give a healthy and a happy heart. Roach discovered a number of previously unknown Tibetan works on yoga in the course of his ongoing efforts to find and preserve ancient Tibetan Buddhist texts. He discusses the ideas and insights presented in these texts and places them within the context of the Buddhist tradition. To help readers incorporate this ancient wisdom in their daily lives, he provides a specific regime of yoga postures and meditations. Combining instructive illustrations with the unique philosophical underpinnings of the Buddhist approach, Geshe Roach has created a unique program for yoga on a physical and spiritual level. **Tricycle**, 2003
