Meaning-Focused Materials for Language Learning Marina Bouckaert, Monique Konings, Marjon van Winkelhof, 2019-01-10 This publication is a result of the joint conference held by MATSDA and Fontys University of Applied Sciences the Netherlands in Tilburg in June 2017 MATSDA is an international materials development association founded in 1993 which serves to bring together researchers teachers materials developers and publishers in an effort to improve the effectiveness of language learning materials The 2017 conference centred on issues related to the development of meaning focused materials for language learning and attracted presenters from twenty five countries stretching from Greenland to Brazil These issues are reflected in the chapters in this volume with each one focusing on a different aspect of meaning focused materials and many of them introducing the reader to previously unexplored facets of the theory of meaning focused instruction and its application to materials development The contributions here are of essential value to post graduate students to teachers to materials developers and to researchers They are written to be academically rigorous but at the same time accessible to newcomers to the field and to experienced experts alike

Exploring Contemporary English Language Education Practices Bang, Truong Cong, Nguyen, Cuong Huy, Bui, Hung Phu, 2024-04-26 Amidst the transformative tides reshaping the realm of English language education educators researchers

and practitioners grapple with a myriad of contemporary challenges. In recent years the landscape of teaching and learning English as a second or foreign language (L2) has undergone a seismic shift, prompting a reevaluation of established practices. The dynamics of L2 education now face burgeoning issues such as fluctuating motivation levels among learners, evolving engagement dynamics in classrooms, and the expanding influence of technological advancements, particularly the pervasive use of computer-mediated communication, altering the traditional boundaries of language acquisition. The urgency to address these multifaceted concerns serves as the impetus for *Exploring Contemporary English Language Education Practices*, an edited book that unravels the complexities of the present-day L2 education panorama. This comprehensive volume, encapsulated by the title *Exploring Contemporary English Language Education Practices*, is not just a compilation of insights; it is a roadmap for navigating the intricate terrain of modern language education. The chapters within this book delve deep into the intricate fabric of second language motivation, learner engagement, emotional dimensions in language learning, classroom assessment strategies, corrective feedback methodologies, and the symbiotic relationship between technology and language acquisition.
