Love Surfaced:

An English Family Julio Dinis,2021-06-01 Mr Richard Whitestone is English and a successful businessman based for many years in Oporto Despite his many years residence in Portugal he remains resolutely English in his tastes and in his accent His favourite reading is Tristram Shandy which he reads and re reads constantly A widower for many years he lives with his children Jenny and Carlos Jenny is the angel of the house and wise beyond her 21 years Carlos is 18 and much given to carousing with his friends and to falling very briefly in love with whichever pretty girl he sees He is the despair of his father but his sister believes in him despite all because she knows he has a good heart One day during Carnival Carlos meets a young woman at a masked ball and falls in love As ever the path of true love runs very erratically indeed J lio Dinis is sometimes referred to as the Portuguese Trollope and this the first novel he wrote is a keen eyed evocation of the narrow world of nineteenth century bourgeois Oporto but also and more importantly it is a brilliant account of family life in all its flawed beauty *Love Surfaced* Michelle Lynn,2015-03-29 The equations are simple Piper Ashby Brad Ashby Twin SiblingsBrad Ashby Tanner McCain Best FriendsPiper Ashby Tanner McCain Off limitsTanner and I abided by the rules We stayed on our designated sides of the relationship circle Ignoring swarming butterflies Brushing off skipped heartbeats Settling on lingering stares Here s the secret a hand extended over that invisible line once exponentially changing the equation I was convinced we could make our relationship work until Tanner broke the trust he embedded in me from the age of seven One deceit of mega proportions and the relationship we built for that short month vanished I swore never to speak to him again and it s worked Until now two years later when my brother s wedding places me face to face with the best man Tanner McCain Leaving one equation to be solved Can love surface twice **I Am Gonna Tell** Jane T. Doe,2013-11 Jane had a pretty good life She was a single mother and she worked hard for her three kids Then she met someone she believed to be the man of her dreams handsome gentle quiet and kind Eleven months later they were married Soon her daughter Michelle began to change she became distant and withdrawn Something was wrong but Jane couldn t figure out what it was She never thought to look at her husband as being the cause her daughter s moodiness or imagine that it might be somehow related to sexual abuse Her husband a young handsome man with a nine to five job an ex wife and kids of his own was nothing like her image of a pedophile *Pathway to Purpose (Volume III)* Roderick L. [Illuminating the Narrow Gate](#) Karl R. Luther, 2022-01-17 The apocalyptic end times have finally arrived What is coming to an end though is not what you have been led to believe Do you desire the truth about God our foremost religions the purpose of life and the future of our planet Are you ready to challenge the religious powers that be to learn what most would rather not know If so this revolutionary book will help you transcend the darkness on your eternal journey home to a God of pure unconditional love a God who has no cause or need to ever judge or condemn anybody Illuminating the Narrow Gate reveals the flaws of the mainstream Western religions as it guides and empowers its readers to embrace an enlightened spirituality Brimming with astonishing insights and revelations it will shock the world by debunking the fire and brimstone theology of mainstream Christianity It primarily accomplishes this by unraveling the apocalyptic prophecies of Daniel the gospels and Revelation in their entirety In fact they contain hidden spiritual messages that contradict what has been confidently preached for all these centuries Like a challenging riddle that cannot be solved the answer is obvious in hindsight Only the blinding power of a paradigm can explain how we missed it for so long The revelations will strike with devastating force because the book first arrives at the same conclusion through more traditional means It convincingly describes how Jesus had come to uproot Judaism but the version of Christianity that developed in his wake failed to make the paradigm shift Erroneous tenets that should have been discarded were instead institutionalized in both theology and authority The book also blazes a third independent trail to the same destination by showing how this ancient religious tree bore its poisonous fruit in both the Holocaust and the abomination of slavery that fathered the Civil War Furthermore the book illuminates the nature of evil and its well cloaked ways which is essential for unraveling the prophecies This wisdom yields a new and astonishing interpretation of the Book of Job that delivers a quantum leap in insight over the prevailing understanding As the first devout Christian to read this interpretation commented It rocked my apple cart to the core In addition it presents an array of scientific evidence for the spiritual realm s existence that complements its amazing demonstration that long range prophecy is truly possible It thus shows the atheistic religion of scientism is also doomed Meanwhile the book proves Jesus was the Anointed One Messiah with a telescoping trio of prophecies from Daniel that foretold the onset of his ministry to the reign of the Roman Empire to its first ten emperors in the 1st century CE and to 27 34 CE Most Christians will thus either fearfully denounce the book as a satanic assault upon their religion or courageously embrace it as the inevitable completion of the Reformation The great spiritual awakening will soon be kicking into high gear which is exactly what the apocalyptic prophecies long ago foretold and the spiritual realm has long been awaiting As Jesus and a group of angels informed an atheist during his near death experience in 1985 The world is at the beginning of a major

transformation It will be a spiritual revolution that will affect every person in the world Can you handle the truth Are you ready to awaken If so this world changing book is at your service You only have to purchase Vol I to get the book s core insights and revelations A PDF document of the Endnotes Bibliography Index et al published in Vol II can be downloaded for free from the book s website to make Vol I a self standing book [The Kreutzer Sonata Variations](#) Michael R. Katz,2014-08-26 Unprecedented in world literature this extraordinary compilation contains a new translation of Lev Tolstoy s controversial novella The Kreutzer Sonata and for the first time makes available to English readers three dissenting counterstories written by Tolstoy s wife and son in opposition to the original work **Existential Threats and Moral Prospects** Courtney D. Schlosser,2024-01-08 Part I of this book argues that we live in a dangerous world system one that has sickened humanity Part II argues that there is a way out in re imagining how things could be Everyone has a role to play in the renewal of the social system since our leaders have largely failed and many institutions are collapsing Existential Threats are those problems that endanger the life and well being of everyone like war and nuclear weapons accelerating climate change over population cultural violence injustice and the inequality of capitalism As serious as these problems are they are not permanent Moral Prospects are the possibilities that represent the most significant social change like ending war and militarism predatory capitalism humanly caused climate change over population cultural violence and moral corruption The system can be changed for the better through an enlightened population Although some Existential Threats may be pedestrian and local others are global and apocalyptic endangering all species At the same time the crisis created by world events presents great opportunities for transformative change with revolutionary consequences *One Silken Thread* Lee D. Scheingold,2013-02-24 Lee Scheingold s rich painful intellectual and personal journey following the death of her husband famed political scientist Stuart Scheingold is described from the points of view which have informed her life psychoanalysis clinical social work Buddhism and family medicine Yet it is poetry that is the connecting thread beginning with the Russian poems which she studied long ago in college She describes her return journey to Russian literature in the wake of profound grief This is an emotional and yet academic account from an author who has approached her life with almost continual self reflection As a result of this examined life the factors and life experiences which enabled her to tolerate and even welcome the feelings of grief are explored Two psychoanalyses and a ten year practice of Buddhism are examined in detail with the issue of meaning foregrounded Emotions have central stage here but ideas are close behind For Lee Scheingold poetry links the two The deeply evocative style of the book resembles poetry itself *The Restless Spirit* Barbara Kraft,1976 **Under the Surface** Frances Ridley Havergal,1874 **Transactions** American Geophysical Union,1930 **The Geophysical Magazine** ,1930 [Underneath the Surface.
