Mapping: A Tool for Aligning Operations with Future Profit and Performance Anil Menawat, Adam Garfein, 2006-07-07 A wise manager knows that success only comes with operational excellence that is properly aligned with strategy. The challenge is knowing what actions to take and when to take them, navigating without knowing the impact of your actions on the bottom line is a risk you can't afford to take. Profit Mapping delivers a forward-looking management decision tool that allows you to proactively navigate business strategy and execution. The authors' exclusive ProFITMAP method is a navigation system for operations that has been used successfully with leading businesses such as Ford Motor Company and General Motors. It enables you to test the impact of any number of factors on operational execution from product demand and mix changes to process and technology changes to resource limitations prior to taking any action. ProFIT MAP helps you make informed process and product decisions and reach your operational and product objectives by answering the following questions: Can it be done? Is it possible? If not, then what additional capabilities are needed? Will it be profitable? What is the impact of my particular decision across the product mix and the functional capabilities of the organization? How do I get to the desired future? The roadmap. With ProFIT MAP, you'll gain the ability to change strategic direction with agility in response to changing market dynamics. ProFIT MAP also allows you to enhance your existing approaches, including Six Sigma, Lean Operations, and Balanced Scorecard, by providing insight into which actions will be effective. Instructive strategic, tactical, and operational case studies illustrate its practical implementation. Applicable to more than 30 unique operational areas and usable from the front lines to the executive suite, Profit Mapping enables you to control your operational destiny and deliver on your strategic goals.

Conversational Capacity: The Secret to Building Successful Teams That Perform When the Pressure Is On Craig Weber, 2013-03-26 OPEN BALANCED DIALOGUE: THE KEY TO PEAK TEAM PERFORMANCE. In a world of rapid fire change, it's more important than ever to build teams that work well when the pressure is on, and quality communication can mean the difference between success and failure. Conversational Capacity provides the communication tools you need to ensure that your team remains on track even when dealing with its most troublesome issues, that it responds to tough challenges with agility and skill, and performs brilliantly in circumstances that would incapacitate less disciplined teams.
