Your pay isn't keeping up with the cost of living

Student debt weighs you down

Job opportunities just

aren't there and you feel like you're falling farther and farther behind. Maybe it's time to look beyond a traditional job and get ahead through a side hustle. In *The Tao of the Side Hustle*, martial arts champion and serial side hustler Don Hyun Kiolbassa applies principles of Wushu Kung Fu, the Chinese War Art popularized by Sun Tzu in *Art of War*, to provide a detailed framework for starting and growing your own venture. Don Hyun Kiolbassa is no stranger to side hustles. In addition to owning his own law firm, he is a CPA, martial artist, dynamic speaker, and performer, and the motion capture model for some of the biggest action video games in the industry. When he was at his lowest professionally and financially, he had an epiphany that helped him grow a side hustle into a full-time business: the principles of Wushu Kung Fu apply to business just as they do to fighting. He turned to the fundamental principles of strategy learned in a lifetime of Martial Arts, including his time living as a Monk at the Shaolin Temple in China. In *The Tao of the Side Hustle*, Don shares this martial arts wisdom, blends Buddhist Martial Arts stories with strategic business, tax, and legal principles, and explains how anyone interested in a side hustle or small business can follow in his footsteps. Learn how to identify a side hustle suited to your skills and passions. Join forces with family, friends, colleagues, and mentors to help launch successfully. Deal with failure, rejection, and doubt. Manage your time, including juggling your side hustle with your primary gig. Decide if your side hustle should become your full-time income source. Grow your side hustle into a full-fledged business. Scale your business by establishing your mission, hiring, managing, and building a culture. If you know you want something better—a stronger financial picture, a better job, more control over your life—*The Tao of the Side Hustle* is your playbook for making it happen.
