**Simplicity sells? A study on capsule wardrobe characteristics and their practitioners** Julia Petker,2023-11-22  
Master s Thesis from the year 2023 in the subject Business economics Offline Marketing and Online Marketing grade 2 0  
University of Applied Sciences M nster Wirtschaft language English abstract The purpose of the study is to reach an  
understanding of the concept of a capsule wardrobe and its practitioners by developing a comprehensive definition of the  
concept and enriching it with practical experiences It aims to clarify particularities in the marketing of minimalistic clothing  
An extensive literature review combined with qualitative in depth interviews with experienced fashion minimalists was  
utilized to characterize capsule wardrobes and their owners The study provides an understanding of the concept of a capsule  
wardrobe which is relevant in the fashion industry It identifies the building characteristics of the concept and its proponents  
By developing an understanding of capsule wardrobes it clarifies the specialties of marketing in minimalistic fashion and  
suggests approaches for fashion brands as well as environmental policymakers This study contributes to the trend of  
minimalism by providing perspectives from fashion minimalists on the topic of clothing consumption and by offering insights  
into marketing specialties for minimalistic fashion *Fashion and Motherhood* Laura Snelgrove,2024-01-25 Motherhood  
whether achieved through biological or other means is not a rare experience dressing oneself even less so The two  
phenomena are intimately linked as both occur on and to the private body and are also fully subject to social pressures and  
the changing tides of public opinion They also for anyone who experiences motherhood define one another and work together  
to shape an individual s identity and place in their culture This rich collection explores the essential question of how  
motherhood and fashion interact interrogating their relationships to power misogyny temporality longing and embodiment  
among other themes The 13 essays examine representations on film in popular print and literature they use images narrative  
and material evidence from the past to excavate the historical cleavages in how mothers have been expected to hide display  
share and sacrifice their bodies An international range of scholars explores the 19th to the 21st centuries tracing how fashion  
and motherhood have operated as powerfully interdependent experiences and continue to determine how women are judged
