SPIN, 2006-03 From the concert stage to the dressing room from the recording studio to the digital realm *SPIN* surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of *SPIN* pulsate with the energy of today's most innovative sounds Whether covering what's new or what's next *SPIN* is your monthly VIP pass to all that rocks

The Meaning and Culture of Grand Theft Auto Nate Garrelts, 2014-07-15 The immensely popular Grand Theft Auto game series has inspired a range of reactions among players and commentators and a hot debate in the popular media These essays from diverse theoretical perspectives expand the discussion by focusing scholarly analysis on the games particularly Grand Theft Auto III GTA3 Grand Theft Auto Vice City GTA VC and Grand Theft Auto San Andreas GTA SA Part One of the book discusses the fears lawsuits legislative proposals and other public reactions to Grand Theft Auto detailing the conflict between the developers of adult oriented games and various new forms of censorship Depictions of race and violence the pleasure of the carnivalistic gameplay and the significance of sociopolitical satire in the series are all important elements in this controversy It is argued that the general perception of digital changed fundamentally following the release of Grand Theft Auto III The second section of the book approaches the games as they might be studied absent of the controversy These essays study why and how players meaningfully play Grand Theft Auto games reflecting on the elements of daily life that are represented in the games They discuss the connection between game space and real space and the many ways that players mediate the symbols in a game with their minds computers and controllers

Spin, 2006 [Sex in Video Games](#) Brenda Brathwaite, 2007 Sex in games has been around almost as long as the medium itself With the release of games like *Playboy The Mansion Leisure Suit Larry Magna Cum Laude* and *The Singles* sexual content gained a firm foothold and for the first time ventured into the mainstream Even casual games like the Sims started to rev things up a bit and in on line games tales of cybering have become common place Seeking to understand this emerging trend developers publishers retailers and consumers are asking themselves when is sex appropriate in a game how far is too far what will it mean for the product for its distribution for my company for me do sexual content games sell better are they generally profitable And so far there are no definitive answers *Sex in Video Games* seeks to provide insight into this issue and provide guidelines and answers by exhaustively studying the history of sexual content in games and the games industry as well as public and political reaction to it In addition the book considers ethical issues parental and retailer responsibility and explores the industry attempts at self regulation and the growing issue of censorship

Edited Clean Version Raiford Guins, 2008-12-31 According to Guins these new control technologies are designed to embody an ethos of neoliberal governance through the very media that have been previously presumed to warrant management legislation and policing Repositioned within a discourse of empowerment security and choice the action of regulation he reveals has been relocated into the hands of users **BOOK JACKET** [PC Mag](#)
