Complete Energy - Saving DIY Albert Jackson, David Day, 2008 Collins Complete Energy saving DIY is the definitive guide to making energy saving changes in and around your home Collins Complete DIY Manual David DAY, 1993 It's Not Easy Being Green Dick Strawbridge, 2013-09-30 It's Not Easy Being Green follows Dick Strawbridge and his family as they leave their comfortable home in the Midlands to tackle a remarkable self-sufficiency project New House Farm in Cornwall. Their main objective is to have as little negative impact on the planet as possible by producing no waste and removing their dependency upon fossil fuels all without compromising on their comfortable modern 21st century lifestyles. It's a laudable aim but they are definitely not eco-warriors. With his hands on flamboyant approach Dick offers practical tips on everything from constructing water wheels, gadgets and greenhouses to the trials of living with animals and knocking up proper wholesome food. Packed with information about the cost of power, sourcing building materials, taking up permaculture and finding transport alternatives, It's Not Easy Being Green highlights the small steps that can change your life and is a simple inspirational guide for everyone considering the path to green living. *Know it All, Find it Fast* Robert John Duckett, Bob Duckett, Peter Walker, Christina Donnelly, 2008 There is a queue, the phone is ringing, the photocopier has jammed and your enquirer is waiting for a response. You are stressed and you can feel the panic rising. Where do you go to find the information you need to answer the question promptly and accurately? Answering queries from users is one of the most important services undertaken by library and information staff. Yet it is also one of the most difficult, least understood subjects. There are still very few materials available to help frontline staff often paraprofessionals develop their reader enquiry skills. This award-winning sourcebook is an essential guide to where to look to find the answers quickly. It is designed as a first point of reference for library and information practitioners to be depended upon if they are unfamiliar with the subject of an enquiry or wish to find out more. It is arranged in an easily searchable, fully cross-referenced A-Z list of around 150 of the subject areas most frequently handled at enquiry desks. Each subject entry lists the most important information sources and where to locate them, including printed and electronic sources, relevant websites and useful contacts for referral purposes. The authors use their extensive experience in reference work to offer useful tips, warn of potential pitfalls and spotlight typical queries and how to tackle them. This new edition has been brought right up to date with all sources checked for currency and many new ones added. The searchability is enhanced by a comprehensive index to make those essential sources even easier to find, saving you valuable minutes. *Readership* Offering quick and easy pointers to a multitude of information sources, this is an invaluable reference deskbook for all library and information staff in need of a speedy answer in reference libraries subject
