**Bad Credit Score? Improve Your Credit Score Into An Awesome One**  
Nick Dubay,2012-07-30 ABOUT THE BOOK Having a good credit score will save you thousands of dollars over your lifetime as well as give you the opportunity to finance many projects and purchases that you would otherwise not have access to Your credit score also reflects your financial sense in that many employers and corporations use it to make judgments about you Bearing these facts in mind it is easy to see how improving your credit score immediately improves your access to money and better interest rates Raising your credit score is often a daunting task at least in theory since many people do not fully understand how a credit score is scored or what affects it whether positively or negatively Relax you ve already taken the first step in fixing your own credit you re reading this ebook When it comes to your credit score information and education are as crucial as establishing and maintaining positive financial habits Your credit score is a snapshot of the potential risk you pose to those willing to lend you money like a credit card company or bank It is merely one part or factor that helps determine your eligibility for a credit card and is not a personal judgment against you Other factors that go into making a credit decision can include your total debt to income ratio employment history and income levels Even looking at mortgages and home loans the consumer has to realize just how important a factor their credit score is in getting a loan it requires the same degree of consideration that the loan s interest rate and terms do Here s a San Francisco Chronicle article that talks about just that topic Because the world of credit scores is so murky people often give up on even trying to understand it or

trying to improve their financial positions and score It is really quite simple to improve your score and the following pages will give you a better understanding of how to make positive changes while empowering you to build and maintain an informed position on money and your finances There are dozens of credit score websites and products available for purchase Some of these products promise to help raise your credit score or help you monitor your score exclusively Know that by law you are allowed to access your credit score for free at least once per year Also many of the products and services being offered to you are poor substitutes for a little education and research just like you are doing here with this ebook There is nothing that a credit score service can do for you that you cannot already accomplish yourself with a little bit of knowledge and perseverance You do not need to spend a dime to effectively monitor and improve your credit score EXCERPT FROM THE BOOK The next step after requesting your credit report is to better understand what goes into your score The accounts on your credit score can count negatively against you for seven years This means that if you had one late payment on one card or account six years ago your score can still be affected But by understanding this time limit you can also help dispute inaccurate or old information on your credit score To learn more about disputing accounts or information please read further Accounts can be marked as 30 60 90 or 120 days late depending on how far behind you may be in payments The longer you are past due the worse off your score These accounts are past due or considered delinquent by the creditors Accounts that are charged off are those that the creditor has decided you are unlikely to pay and charge offs should be avoided at all costs as they can negatively affect your credit score more than being 120 days late on a payment Here s an excellent Forbes article about paying your bills on time and how it affects your credit score [Personal Finance in Your 20s & 30s For Dummies](#) Eric Tyson,2021-05-05 The money lessons you wish you d learned in school Personal Finance in Your 20s wrap your mind around your investment opportunities the realities of making a second income higher ed options for career advancement and lessons learned from the COVID 19 pandemic If you re in need of financial guidance and who isn t this is the book you need Pay off loans manage your credit begin the home buying journey and more Set realistic money goals so you can create a solid path for financial success Make smart decisions to beef up your bank account and investment portfolio Protect the money you have today and learn how to put your money to work for the future Get ready to turn up the volume on your financial know how and stop worrying about money **Personal Finance For Dummies, UK Edition** Hannah Smith, Eric Tyson,2025-07-08 Your friendly guide to financial success Managing your money and making informed financial decisions for you and your family can be challenging You re not alone if you find it difficult to understand tax plan for retirement create a workable budget or protect your wealth from unexpected events This edition of Personal Finance For Dummies tailored for a UK audience offers an easy to read guide to improving your financial situation no matter your income level You ll learn how to set financial goals invest wisely and protect your assets while still enjoying life Inside the book Expert advice on making sound investments that minimise risk and maximise returns Clear explanations of UK tax rules so you can save money by
