Notes Of A Native Son Beacon Paperback:

Notes of a Native Son James Baldwin, 2012-11-20 In an age of Black Lives Matter James Baldwin's essays on life in Harlem the protest novel movies and African Americans abroad are as powerful today as when they were first written With documentaries like I Am Not Your Negro bringing renewed interest to Baldwin's life and work *Notes of a Native Son* serves as a valuable introduction Written during the 1940s and early 1950s when Baldwin was only in his twenties the essays collected in *Notes of a Native Son* capture a view of black life and black thought at the dawn of the civil rights movement and as the movement slowly gained strength through the words of one of the most captivating essayists and foremost intellectuals of that era Writing as an artist activist and social critic Baldwin probes the complex condition of being black in America With a keen eye he examines everything from the significance of the protest novel to the motives and circumstances of the many black expatriates of the time from his home in The Harlem Ghetto to a sobering Journey to Atlanta *Notes of a Native Son* inaugurated Baldwin as one of the leading interpreters of the dramatic social changes erupting in the United States in the twentieth century and many of his observations have proven almost prophetic His criticism on topics such as the paternalism of white progressives or on his own friend Richard Wright's work is pointed and unabashed He was also one of the few writing on race at the time who addressed the issue with a powerful mixture of outrage at the gross physical and political violence against black citizens and measured understanding of their oppressors which helped awaken a white audience to the injustices under their noses Naturally this combination of brazen criticism and unconventional empathy for white readers won Baldwin as much condemnation as praise *Notes* is the book that established Baldwin's voice as a social critic and it remains one of his most admired works The essays collected here create a cohesive sketch of black America and reveal an intimate portrait of Baldwin's own search for identity as an artist as a black man and as an American

Native Sons James Baldwin, Sol Stein, 2009-03-12 James Baldwin was beginning to be recognized as the most brilliant black writer of his generation when his first book of essays *Notes of a Native Son* established his reputation in 1955 No one was more pleased by the book's reception than Baldwin's high school friend Sol Stein A rising New York editor novelist and playwright Stein had suggested that Baldwin do the book and coaxed his old friend through the long and sometimes agonizing process of putting the volume together and seeing it into print Now in this fascinating new book Sol Stein documents the story of his intense creative partnership with Baldwin through newly uncovered letters photos inscriptions and an illuminating memoir of the friendship that resulted in one of the classics of American literature Included in this book are the two works they created together the story *Dark Runner* and the play *Equal in Paris* both published here for the first time Though a world of difference separated them Baldwin was black and gay living in self-imposed exile in Europe Stein was Jewish and married with a growing family to support the two men shared the same fundamental passion Nothing mattered more to either of them than telling and writing the truth which was not always welcome As Stein wrote Baldwin in a long heartfelt letter You are the

only friend with whom I feel comfortable about all three heart head and writing In this extraordinary book Stein unfolds how that shared passion played out in the months surrounding the creation and publication of Baldwin's Notes of a Native Son in which Baldwin's main themes are illuminated A literary event published to honor the eightieth anniversary of James Baldwin's birth Native Sons is a celebration of one of the most fruitful and influential friendships in American letters
