

# Reciprocal Teaching Phases

## TEACHER DEMONSTRATION

The teacher models how to use all four of the strategies so that students can get the "big picture."

## DIRECT INSTRUCTION AND GUIDED PRACTICE

One lesson is dedicated to each strategy allowing the teacher to explain how to use the strategy and provide feedback while students try it out.

## TEACHER-STUDENT GROUPS

The teacher leads small groups in discussion and use of the strategies, providing feedback as needed. As students become more experienced, the teacher provides less support.

## STUDENT-LED GROUPS

Students take turns leading the discussion, prompting each other to use the strategies and giving each other feedback.

## STUDENT INDEPENDENT USE

Students use the four strategies to monitor their own comprehension while reading independently.
