

16. Coach is quitting the football team. He says "It's what they do to us, Jerry... It's more than fun and games. Anything that can make you cry and send a teacher away... that's more than just fun and games." What is **THEY** and what does Coach mean by this statement?

17. How has Brother Leon abused his power of authority according to Brother Jerome?

18. Jerry has become a symbol for all students who do not want to sell the chocolates. Brother Leon is aware of this and fears a rebellion. He tells Archie that he and the Wiggle must make Jerry sell the candy, or else! After Jerry meets with the Wiggle it is obvious that he is still not going to sell the candy. How do you think a protest of Archie's age and a social justice will **MAKE** him sell the chocolates?

CHAPTER 10 – 11

1. In the beginning of the book when a protest is announced by the Wiggle they treat the Wiggle and their assignment with great respect and awe. When Stella is announced by the Wiggle, how does he behave?

2. Stella's behavior shows that the Wiggle are losing control and the respect of the school. How does Carter try to gain back (take) respect with Stella?

3. What does the poster that Olive found say? What is it indicating about the Wiggle and their control over the school?

4. Archie says to Carter, "Before this sale is over Stewart will be whistling with all his heart that he sold the chocolates. And the school will be glad he didn't." Using your skills in foreshadow and taking into account the Wiggle and their actions in the past, what do you predict Archie may do?

5. Why does Jerry pray for "eyes behind his head"?

6. Besides the football field attack, how do the Wiggle use the phone to attack Jerry?

7. List two other things the Wiggle do to Jerry to torture him?

8. Jerry says he suddenly understood the poster in his locker. Compare the description of the poster in Jerry's locker to the first cover of the book. What do they have in common?

9. What is suddenly happening with the chocolate sale?

10. Students who never sold chocolates are getting credit for selling 50 boxes – the exact amount each student was responsible for. Coach says that he only sold 27 boxes, but at the end he gets credit for 50. What is going on and why do you think this is being done?
