NRA Basic Pistol Shooting Course National Rifle Association, 1991 **You and Guns: a Conversation** Isabella Hunter, 2012-10 What is lawful self defense and when is lethal force justified While you alone are personally responsible for yours and your family s safety these and other pertinent questions are often clouded with conflicting information Author Isabella Hunter writes a lucid and unique examination on lawful self defense and draws on experience as an advocate for gun safety and public education You and Guns A Conversation is an introductory guide for the novice and does not require owning a firearm Highlights include perspectives on morality and lethal confrontation the fundamentals of firearm safety helpful considerations for purchasing a firearm how to find a certified instructor and what to expect when taking lessons Hunter promotes the usefulness and necessity of having a personal plan of action for life threatening emergencies Your initiatives and actions following could help save yours and the lives of others **Human Factors Issues in Handgun Safety and Forensics** Hal W. Hendrick, Paul Paradis, Richard J. Hornick, 2007-11-26 Written by two certified human factors ergonomics professionals and a criminalist and firearms expert all of whom have testified as expert witnesses Human Factors in Handgun Safety and Forensics draws on their formidable collective knowledge and professional experience to present the first scientifically based volume in the field This **Guns and Crime** Mark Gius, 2016-11-03 Guns and Crime The Data Don t Lie investigates the ways in which the current data on guns and crime are inadequate and inaccurate Although the majority of murders in the United States are committed with guns research on gun ownership the supply of guns and the relationship between guns and crime is less thorough than studies done for many other aspects of public safety policy This book explores the weaknesses in current findings and extrapolates the implications of policymaking based on these faulty foundations As the gun debate continues to rage in North America this text offers a cautionary voice to the discourse before practitioners and policy makers can create a solution to gun violence they must first improve the quality of the facts they use to make their case Intended for criminology statistics sociology and economics students Guns and Crime is also suitable for interested laypersons and practitioners hoping to better understand the mythos surrounding guns in America **Gun Curious** David Yamane, 2024-06-01 More than ever it feels like cultural and political divisions over firearms are tearing the United States apart Guns are an undeniable and contradictory presence in America both widely owned and controversial This book does something remarkable it promotes insight over animosity in understanding the complex reality of guns in America It challenges firearms skeptics entertains enthusiasts and informs the uncommitted by taking readers on a surprising journey inside gun culture A lifelong liberal from the San Francisco Bay Area David Yamane became a new gun owner as a 42 year old and embarked on an immersive twelve year study of American gun culture Weaving together his personal experiences and sociological observations to explain why guns make sense to those who own them he illuminates defensive gun ownership the risk of negative outcomes associated with firearms and what responsible gun ownership looks like in the

twenty first century This book lowers the heat on America s inflamed arguments about firearms and models the civil discussions we desperately need
