

Instructions for Schedule K-1 (Form 1041) for a Beneficiary Filing Form 1040

Note. The fiduciary's instructions for completing Schedule K-1 are in the Instructions for Form 1041.

Section references are to the Internal Revenue Code unless otherwise noted.

Future Developments

For the latest information about developments related to Schedule K-1 (Form 1041) and its instructions, such as legislation enacted after they were published, go to www.irs.gov/form1041.

Reminders

Beneficiary's identification number.

For your protection, Schedule K-1 may show only the last four digits of your identifying number (social security number (SSN), etc.). However, the estate or trust has reported your complete identifying number to the IRS.

Net investment income tax. This tax applies to certain investment income of individuals, estates, and trusts. Use Form 8960, *Net Investment Income Tax—Individuals, Estates, and Trusts*, and its instructions to figure your net investment income tax.

Backup withholding. If Schedule K-1 shows backup withholding in box 13, code B, attach a copy to your return.

General Instructions

Purpose of Form

Use Schedule K-1 to report a beneficiary's share of the estate's or trust's income, credits, deductions, etc. on your Form 1040, U.S. Individual Income Tax Return. Keep it for your records. Don't file it with your tax return, unless backup withholding was reported in box 13, code B.

Inconsistent Treatment of Items

Generally, you must report items shown on your Schedule K-1 (including attached schedules) the same way that the estate or trust treated the items on its return.

If the treatment of an item on your original or amended return is inconsistent with the estate's or trust's treatment (or if the estate or trust was required to but hasn't filed a return), you must file Form 8082, *Notice of Inconsistent Treatment or Administrative Adjustment Request*

(AAR), with your original or amended return to identify and explain any inconsistency (or to note that an estate or trust return hasn't been filed).

If you are required to file Form 8082 but fail to do so, you may be subject to the accuracy-related penalty. This penalty is in addition to any tax that results from making your amount or treatment of the item consistent with that shown on the estate's or trust's return. Any deficiency that results from making the amounts consistent may be assessed immediately.

Errors

If you believe the fiduciary has made an error on your Schedule K-1, notify the fiduciary and ask for an amended or a corrected Schedule K-1. Don't change any items on your copy. Be sure that the fiduciary sends a copy of the amended Schedule K-1 to the IRS. If you are unable to reach an agreement with the fiduciary regarding the inconsistency, you must file Form 8082.

Beneficiaries of Generation-Skipping Trusts

If you received Form 706-GS(D-1), *Notification of Distribution From a Generation-Skipping Trust*, and paid a generation-skipping transfer (GST) tax on Form 706-GS(D), *Generation-Skipping Transfer Tax Return for Distributions*, you can deduct the GST tax paid on income distributions on Schedule A (Form 1040), line 8. To figure the deduction, see the Instructions for Form 706-GS(D).

Specific Instructions

Part I—Information About the Estate or Trust

Item E

If the Item E box is checked, this is the final year of the estate or trust.

Note. If the "Final K-1" box at the top of Schedule K-1 is checked, this is the final return for the beneficiary.

Part III—Beneficiary's Share of Current Year Income, Deductions, Credits, and Other Items

The amounts shown in boxes 1 through 14 reflect your share of income, loss, deductions, credits, etc., from an estate or trust. For Form 1040 filers, page 2 of Schedule K-1 provides summarized reporting information. The summarized reporting information reflects references to forms in use for calendar year 2016.

Note. If you are not an individual, report the amounts in each box as instructed on your tax return.

Codes. In box 9 and boxes 11 through 14, the fiduciary will identify each item by entering a code in the column to the left of the dollar amount entry space. These codes are identified on page 2 of Schedule K-1.

Attached statements. The fiduciary will enter an asterisk (*) after the code, if any, in the column to the left of the dollar amount entry space for each item for which it has attached a statement providing additional information. For those informational items that cannot be reported as a single dollar amount, the estate or trust will enter an asterisk in the left column and write "STMT" in the dollar amount entry space to indicate the information is provided on an attached statement.

Box 1—Interest

This box reports the beneficiary's share of the taxable interest income. This amount is reported on line 8a of Form 1040 and Schedule B, Part I, line 1, if applicable.

Box 2a—Ordinary Dividends

This box reports the beneficiary's share of ordinary dividends. This amount is reported on line 9a of Form 1040 and Schedule B, Part II, line 5, if applicable.
