

2022 AUDITION PACKET

Potential 2022 Marching 110 Drumline Member,

Congratulations on taking the first step towards becoming a member of the Marching 110 Drumline! By simply deciding to audition and acquiring this packet you have made it farther than most who have dreamed of being a part of the Marching 110. This packet is designed to help you prepare your audition for one of the most recognizable collegiate drumlines worldwide. The Marching 110 has a long and storied history of excitement and assistance. With your efforts, we can build on these traditions and become "Better than the Best Ever" in 2022.

The Marching 110 drumline is the most selective section within the band. Spots are available on all instruments every year. The numbers for placement in the March are limited, so you are encouraged to audition on a primary and a secondary instrument. If you make the list this spring, you will officially become a member of the Marching 110. However, you will not be guaranteed a spot on the field. At Training Week in August, final placement auditions are held for all incoming and returning members to determine the program and halftime blocks, as well as alternate positions.

Audition Clinics: April 10th and April 24th, 1:00-4:00
Audition Video Deadline: May 1st

Memorization is a component of preparedness and that is something we value highly during the audition process. The Marching 110 puts on a new show at every home game, sometimes learning an entire show in as little as a week. Your ability to memorize music efficiently is paramount to your success on the field. Those who show up with this packet fully memorized are the ones who will be successful. However, preparedness can be thought of as more than just memorization. Your attention to detail, adaptability, and attitude are just as important as knowing the contents of this packet. The season doesn't start for several months, so we are looking for those who show the most growth between clinics/videos and promise improvement over the summer. Nothing will take the place of the practice time needed to build the muscle memory to play this music clean with the line. Simply put, you need CHOOPS to be in the Marching 110 Drumline.

For over 50 years, the Marching 110 Drumline has been the driving force behind the spirit of the Marching 110. Auditioning for this line gives you the opportunity to become a part of that legacy. Practice hard over the next few months and don't hesitate to reach out to me if you have any questions or concerns. Work hard, but don't forget to have fun while doing so!

Approach

Proper technique is based on relaxation. Successful playing is based on efficiently using all muscles such as finger, wrist and arm with minimal overall effort. All strokes are initiated by the wrist, with the finger and arm naturally assisting the motion.

Make sure to mark time and practice with a metronome. Each exercise should be played as slow and fast as possible.
