Claire Humphreys

Business Of Tourism 10th Edition

Senas John Ukpanah

Business Of Tourism 10th Edition :

The Business of Tourism 10th edn J. Christopher Holloway, Claire Humphreys, 2016-01-20 The tourism industry is in a constant state of flux where trends and attitudes are frequently susceptible to outside influences including factors such as technological and economic change The Business of Tourism by Chris Holloway and Claire Humphreys is the ideal textbook to help readers not only understand these new changes but look at them with a critical eye and predict future trends This book is an essential text for students of tourism management or travel and tourism The historical context is combined with background theory and research plus up to date international case studies It examines in detail the tourism product its impacts and the nature of the tourist to provide the reader with a comprehensive understanding of the management of this important global industry The result is a practical and relevant text for any student wishing to work in one of the many diverse sectors of the tourism industry

[The Business of Tourism](#) J. Christopher Holloway, 1998 The operations of each part of the tourist industry tourist attractions carriers accommodation tour operation retailing tourist offices and ancillary services are described

The Business of Tourism J. Christopher Holloway, Claire Humphreys, 2022-09-07 Tourism as an industry is constantly evolving Trends and attitudes are susceptible to changes in what people look for in a holiday which can change within different economic contexts generational shifts the political landscape and most recently the Covid 19 global pandemic This popular and comprehensive textbook helps students to not only understand these changes but study them with a critical mindset and historical perspective desirable for success in assessments The text also continues to retain its focus on business and the operational aspects of tourism making it especially useful for students considering a career and or short term placement in the tourism industry This 12th edition of The Business of Tourism includes updates to take in changes to the tourism industry and consumption behaviours as a result of Brexit the UK s decision to leave the European Union the pandemic and its impacts on nature the operation of attractions event tourism hotel chains transport and governmental support Sustainability and the reduction of the negative impacts caused by tourism Chris Holloway was a former Professor of Tourism Management at the University of the West of England Claire Humphreys is a former Head of Department and Principal Lecturer at the University of Westminster

The Business of Tourism Chris Holloway, Claire Humphreys, 2012-10-12 The tourism industry is in a constant state of flux where trends and attitudes are frequently susceptible to outside influences including factors such as technological and economic change The Business of Tourism by Chris Holloway and Claire Humphreys is the ideal textbook to help you to not only understand these new changes but look at them with a critical eye and predict future trends This book is the ideal foundation text for students of Tourism Management or Travel and Tourism The historical context is combined with background theory and research plus up to date international case studies It examines in detail the tourism product its impacts and the tourist to provide the reader with a comprehensive understanding of the management of this important global industry The result is a practical and relevant text for any student

wishing to work in one of the many diverse sectors of the tourism industry

The SAGE Handbook of Tourism Studies
Tazim Jamal, Mike Robinson, 2009-07-01 The strongest overview I have encountered of the scope and the current state of research across all the fields involved in advancing our understanding of tourism For its range of topics depth of analyses and distinction of its contributors nothing is comparable Professor Dean MacCannell University of California Davis The breadth of vision and sweep of accounts is remarkable and range of topics laudable a rare combination of the authoritative the challenging and stimulating Professor Mike Crang Durham University Tourism studies developed as a sub branch of older disciplines in the social sciences such as anthropology sociology and economics and newer applied fields of study in hospitality management civil rights and transport studies This Handbook is a sign of the maturity of the field It provides an essential resource for teachers and students to determine the roots key issues and agenda of tourism studies exploring The evolution and position of tourism studies The relationship of tourism to culture The ecology and economics of tourism Special events and destination management Methodologies of study Tourism and transport Tourism and heritage Tourism and postcolonialism Global tourist business operations Ranging from local to global issues and from questions of management to the ethical dilemmas of tourism this is a comprehensive critically informed constructively organized overview of the field It draws together an inter disciplinary group of contributors who are among the most celebrated names in the field and will be quickly recognized as a landmark in the new and expanding field of tourism studies

Strategic Management for Tourism, Hospitality and Events
Nigel G. Evans, 2024-01-24 Strategic Management for Tourism Hospitality and Events is the must have text for students approaching this subject for the first time It introduces students to fundamental strategic management principles in a tourism hospitality and events context and brings theory to life by integrating a host of industry based case studies and examples throughout This fourth edition has been fully revised and updated to reflect the major changes in strategic direction for these industries due to the most significant global crisis ever as well as significant technology advances and issues related to sustainability New features and topics in this fourth edition include New international tourism hospitality and events case studies from both SMEs and large scale businesses are integrated throughout to show applications of strategic management theory New Technology Focus short cases are included as well as longer combined sector case studies on topics such as COVID 19 impacts A new chapter on sustainability and corporate social responsibility explores how the principles of sustainability can be incorporated into the strategy of tourism hospitality and events organizations Technology is integrated into all chapters looking at big data artificial intelligence the external political environment social media and e marketing absorptive capacity and innovation Impacts and implications of COVID 19 are discussed considering industry responses financial implications and future emergent strategies A contemporary view incorporates the broad range of academic literature and industry developments that have emerged in recent years and provides a particular focus on smaller organizations recognizing their key role Web support for tutors and students provides

explanations and guidelines for instructors on how to use the textbook and case studies additional exercises and video links for students This book is written in an accessible and engaging style and structured logically with useful features throughout to aid students learning and understanding It is an essential resource for tourism hospitality and events students
