## By Adam Nevill **Scream:**

*A Horror Omnibus* Adam Nevill, 2013-09-19 Adam Nevill's *A Horror Omnibus* contains three tales of supernatural terror from one of Britain's best horror authors. **Apartment 16** An apartment block in London has lain empty for fifty years. Seth is the night watchman and one night hears a disturbance in the strange apartment. What he experiences changes his life forever. Could the doorway to Apartment 16 be the gateway to something altogether more terrifying? **The Ritual** Four old university friends reunite for a hiking trip in the Scandinavian wilderness of the Arctic Circle. When they take a shortcut they soon discover old macabre remains and a bestial presence that turns their hike into a nightmare that could cost them their lives. But the four friends soon discover that death doesn't come easy among these ancient trees. **Last Days** Kyle Freeman is an indie film maker with no money and few options, so when he lands a commission to make a documentary about The Temple of the Last Days cult, he jumps at the chance. Little does he know that his investigation into the cult's bloody history will lead him into the darkest places he's ever known.

**The Ritual** Adam Nevill, 2012-02-14 A horror debut by one of Britain's most celebrated up and coming writers in which four friends get lost in a forest in Sweden to find their lives are in mortal peril as something evil lurks.

The Ritual Adam Nevill, 2011-07-01 NOW A MAJOR MOTION PICTURE Winner of the August Derleth Award for Best Horror Novel. This novel grabs from the very first page, refuses to be laid aside, and carries the hapless reader exhausted and wrung out to the very last sentence. *The Guardian* Four old university friends reunite for a hiking trip in the Scandinavian wilderness of the Arctic Circle. No longer young men, they have little left in common and tensions rise as they struggle to connect. Frustrated and tired, they take a shortcut that turns their hike into a nightmare that could cost them their lives. Lost, hungry, and surrounded by forest untouched for millennia, they stumble across an isolated old house. Inside, they find the macabre remains of old rites and pagan sacrifices, ancient artefacts, and unidentifiable bones. A place of dark ritual and home to a bestial presence that is still present in the ancient forest, and now they're the prey. As the four friends struggle toward salvation, they discover that death doesn't come easy among these ancient trees. **MORE PRAISE FOR THE RITUAL** Often horror loses its power when the evil is given a face; in this case, it only gets more disturbing. *The Sunday Times* with *The Ritual*. Nevill has crafted some of the tensest, scariest horror this reviewer has read for years. *SFX* a mind-twisting journey into the dark backwoods of terror. Deeply disturbing and absolutely riveting. Jonathan Maberry, *NY Times* bestselling author of *DEAD OF NIGHT* and *THE KING OF PLAGUES*.

**No One Gets Out Alive** Adam Nevill, 2015-04-28 When Stephanie moves to the notoriously cheap Perry Bar neighborhood of Birmingham she s just happy to find an affordable room for rent that s large enough not to deserve her previous room s nickname the cell The eccentric albeit slightly overly friendly landlord seems nice and welcoming enough the ceilings are high and all of the other tenants are also girls Things aren t great but they re stable Or at

least that's what she tells herself when she impulsively hands over enough money to cover the first month's rent and decides to give it a go. But soon after she becomes uneasy about her rash decision. She hears things in the night. Feels them. Things or people who aren't there in the light. Who couldn't be there because after all her door is locked every night and the key is still in place in the morning. Concern soon turns to terror when the voices she hears and presence she feels each night become hostile. It's clear that something very bad has happened in this house. And something even worse is happening now. Stephanie has to find a way out before whatever's going on in the house finds her. First Adam Nevill's *No One Gets Out Alive* will chill you straight through to the core, a cold, merciless fear-inducing nightmare to the last page. A word of caution: don't read this one in the dark.

Shakespeare and the World of "Slings & Arrows" Gary Kuchar, 2024-10-15. *Slings & Arrows* starring Susan Coyne, Paul Gross, Don McKellar, and Mark McKinney as members of the New Burbage Theatre Festival was heralded by television critics as one of the best shows ever produced and one of the finest depictions of life in classical theatre. Shakespeare scholars, however, have been ambivalent about the series at times, even hostile. In *Shakespeare and the World of Slings & Arrows*, Gary Kuchar situates the three-season series in its cultural and intellectual contexts. More than a roman clef about Canada's Stratford Festival, he shows it is a privileged window onto major debates within Shakespeare studies and a drama that raises vital questions about the role of the arts in society. Kuchar reads the television show ever fluctuating between faith and doubt.

in the power of drama as an allegory of Peter Brook's widely renowned account of modern theatre *The Empty Space* mirroring Brook's distinction between holy theatre a quasi sacred vocation and deadly theatre a momentary entertainment Combining contextualized interpretations of the series with subtle formalist readings Kuchar explains how *Slings Arrows* participates in a broader recuperation of humanist approaches to Shakespeare in contemporary scholarship The result is a demonstration of how and why Shakespeare continues to provide not just entertainment but equipment for living
