Context

Before you can start to lead others, you must first know how to lead yourself. This has been the key to becoming a leader since the days of Socrates and Aristotle. "Know thyself" was the inscription over the Oracle at Delphi, the Greek mecca of wisdom. It is by this principle that the great leaders of the past, present, and future gain an effective followership and achieve their goals. Leadership guru, Warren Bennis, states, "Know thyself means separating who you are and who you want to be from what the world thinks you are and wants you to be."
