Beneath the Moors Brian Lumley,2019-12-24 Prof Ewart Masters spends his convalescence following a car accident at the home of his nephew Jason Masters pursuing his studies of ancient civilizations during which he makes startling discoveries about the hidden city beneath the Yorkshire moors His search to unravel the mystery of the green figurines his efforts to assess the implications of Robert Krug s manuscript lead ultimately to Devil s Pool and the surviving world of Lh yib culminating in a series of dream like adventures as he wanders through the nightmare corridors of his new environment Beneath the Moors is primarily Gothic in atmosphere its brooding mystery and stark terror occasionally relieved by bits of quiet charm and subtle humor And the author s straightforward autobiographical technique possesses an element of immediacy seldom achieved in this type of narrative   **Brian Lumley's The Best of the Rest** Brian Lumley,2023-11-11 From the Introduction This pretty much is what the title says Many of the stories novellas here will have only been done in limited print runs such as in fanzines magazines pamphlets special editions or online magazines It s a mixed genre of stories

and these are what Brian considers the best of the rest of the stories in his body of work We ve got 111 000 words in this collection so that means lots of enjoyment in what is likely the last collection coming from Brian The Challenge As some fools do But do you dare Yes Well don t The Man Who Photographed Beardsley They should have been pictures from life or was he simply impatient The Cyprus Shell There are some you can eat while others have their own pick me ups Clean Slate If you re in debt to the Devil don t mess with look a like sisters The Deep Sea Conch Some species build nests while others are much like the cuckoo The Ugly Act But what s a pimple or two if there s only you Irving s Story Her downstairs knew best every time The Running Man It may be true you can run but as for finding a place to hide Somebody Calling The only way she could He simply had to listen harder Vanessa s Voice Both beautiful and deadly The Vehicle Some might think of him that way others as a dyadic personality Mandraki Take care who you lie down with and where Two Stone Tom Yes except he was an entire science heavier than that The Long Last Night Was it just a myth or a Mythos The Weird Wines of Naxas Niss A wizard s stolen potion is another man s gateway to Nirvana maybe Stealer of Dreams Always remember once they re gone they might stay gone   *Harry and the Pirates* Brian Lumley,2009-07-21 Three long stories from Brian Lumley featuring Harry Keogh the original Necroscope Never before published in the US Harry Keogh the first Necroscope is arguably Brian Lumley s greatest creation In the Necroscope series readers saw Harry learn to use his powers to talk with the dead and travel instantaneously to any point in space and time They saw him take arms against the evil twisted metamorphic alien vampires who sought to feed off humans and enslave mankind They saw him suffer a great personal loss and then recover his family and later his humanity through a new love And they saw Harry wage the grimmest battle of his life against the vampire he himself was becoming Even after Harry s story was done Brian Lumley continued to write books about Harry s legacy the other Necroscopes who inherited his weird talents But Harry himself would not go quietly into that darkness that lies beyond an author s imagination and now Brian Lumley has written three new novellas about Harry and his supernatural adventures which are published for the first time in the United States in Harry and the Pirates At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied   **Sequels** Janet G. Husband,Jonathan F. Husband,2009 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series   **No Sharks in the Med** Brian Lumley,2022-01-08 Prior to the first American Publication of Brian Lumley s ground breaking dead waking best selling Necroscope in 1988 the first novel in a long lived much loved series this British author had for twenty years been earning an envious reputation writing short stories novellas and a series of novels set against H P Lovecraft s cosmic Cthulhu Mythos backdrop In addition and for a further twenty years Lumley s non Mythos Fantasy SF and Horror stories have been appearing on a regular basis in some of the world s most famous publications for example The Magazine of Fantasy Science Fiction and Weird Tales along with anthologies such as Karl Edward Wagner s Year s Best Horror Stories Charles L Grant s Final Shadows and Kirby McCauley s Frights among

others With his multiple award winning literary career now spanning over four decades Lumley continues to write his superior fictions examples of which from each of those decades can be found in this current collection where Weird Tales itself is represented by no less than five stories Stories included in this collection Fruiting Bodies The Sun the Sea and the Silent Scream The Picnickers The Viaduct The Luststone The Whisperer No Sharks in the Med The Pit Yakker The Place of Waiting The Man who Killed Kew Gardens My Thing Friday The Disapproval of Jeremy Cleave   *Short Tall Tales* Brian Lumley,2023-03-11 And that is exactly what this book is a varied collection of short stories from the acknowledged British master of Horror Fantasy and Science Fiction Brian Lumley in a single volume of all three domains of the imagination but more especially the haunts of the sinister and macabre Inspired by the weird tales of the great Edgar Allan Poe and as some readers might reasonably insist the even greater H P Lovecraft himself an admirer of Poe here is a host of rather more modern witcheries from times since the sad demise of many such old masters based on eras long forgotten before all such tale tellers so much as existed concepts spawned in an immemorial past that even now continues to provide the source and fundamentals of similar conceits such as they were in the shape of folk legends and the frequently monstrous cautions of so called fairy tales in modes made their own by the antique yarns of the Brother s Grimm now sadly long demised a fact which in itself says a lot for the longevity of these genres Stories included in this collection The Man in the Dream Late Shopping Spider in the Bath Memory The Lecture Hell Is a Personal Place Problem Child The Sorceror s Dream Mother Love Not a Creature Was Stirring In the Glow Zone Little Man Lost Snarker s Son What Dark God The Strange Years The Man Who Saw No Spiders Swamped A Really Game Boy A Dreamer s Tale In Dublin s Fair City As well as three short stories in just fifty words each and four favourite poems from Ghoul Warning   Necroscope Defilers Brian Lumley,2001 It seemed that the Earth and the Vampire World had been cut of from each other and Earth was safe from the Wampyr Harry Keogh the World s saviour is also dead Now Earth is under attack again and the heir to Harry s talent Jake Cutter is a reluctant hero He s out for personal revenge and the fate of the world hangs in the balance   **Supernatural Literature of the World: P-Z** S.
