Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock,2020-05-07
YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been

Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

The Strong Delusion John W. Milor, 2017-02-20 John Milors fascinating work is based on the Bible telling of a powerful deception that will overshadow the Earth a deception so intense that only those with a genuine love relationship with God will be able to endure it Events from the authors own life including a series of supernatural encounters have revealed some key components of this strong delusion which he believes will initiate a grand display of open contact with extraterrestrials It will also involve the global rise of Islam Its no mistake that the faiths of four billion people Christians and Muslims include two versions of prophetic visions that are nearly identical yet they represent opposite sides of a global conflict that will end in the Battle of Armageddon This book delves into myriad topics including Encounters with angels otherworldly beings and Jesus Christ Encounters with demons ghosts nephilim jinns and mythical creatures The Bibles

explanation of ET good guys and bad guys The Quran and Hadiths ET connection Was Muhammad abducted as a boy and operated on Was the angel that abducted Muhammad really Gabriel Were the mysterious jinns of Islam actually surviving nephilim Is the Quran and Hadiths ideology specifically tailored for the Antichrist These and other topics harken to ancient times and peer into a not too distant future when the author believes we will see a return to the days of Noah as prophesied by Jesus Rungs of Disclosure L. A. Marzulli,2024-10-15 Is this the coming Great Deception By the end of this book you will reveal the truth about extraterrestrial presences on earth that they are real burgeoning and not going away You also will understand what the Biblical perspective on this phenomenon is and is not They've been here for thousands of years making their presence known in the shadows They might be seen by a lonely motorist on a deserted road late at night or by a frightened and confused husband in the bedroom he is sharing with his wife Perhaps the most disconcerting part of this phenomenon boils down to this question Has the government been aware of their presence all along and is covertly working with them toward some secret end In Rungs of Disclosure what once was fringe is now reality While reading you'll meet regular people just like you who have encountered something beyond their ability to explain You'll also hear from people of great faith and deep religious belief who continue to have these strange and deeply unsettling encounters L A Marzulli explores these ongoing incidents to discover the answers to these questions Who are they What do they want And why are they here Can you handle the truth Read this book if you dare **Nephilim: Legio Trilogy Book 1** K.B.

of unprecedented scale engulfs the globe Amid the chaos the world's largest corporation sponsors the founding of a new society seemingly as an experiment in social engineering For thirty six years as civilization crumbles around it this tiny remnant of the human race lives in perfect peace and harmony in the Land of Light The society's leader Farukh al Qasim fears peace cannot last without a fight A world renowned archaeologist before the collapse Qasim has discovered a cache of ancient manuscripts that tell of this very future and its dark end at the hands of the Nephilim But there is hope These same sources point also to a child a savior who will possess a great power lost long ago If he is found perhaps the Land of Light perhaps humanity itself might endure
