Imagining Spaces and Places Saija Isomaa, Kirsi Saarikangas, 2014-07-18 *Imagining Spaces and Places* seeks to produce an interdisciplinary dialogue between art history and literature studies and other fields of cultural analysis that work with the concepts of space place and various scapes such as cityscapes bodyscapes mindscapes and memoryscapes as well as the more familiar landscapes The volume was inspired by new lines of study that underline the experiential and multidimensional aspects of spaces We explore how art literature or urban spaces forge scapes by imposing or suggesting aesthetic evaluative or ideological orderings and perceptual as well as emotive perspectives on the raw material or on previous ways of spatial worldmaking We look at the role of cultural and artistic renderings of space in relation to everyday experiences of spaces We examine how the experiences of places are mediated in various art forms and other cultural discourses or practices and how these discourses contribute to the understanding of particular places and also to understanding space in more general terms *Imagining Spaces and Places* is addressed to scholars and teachers working at the intersection of cultural and spatial analyses as well as to their undergraduate and postgraduate students

To Siberia Per Petterson, 2010-08-03 I was fourteen and a half when the Germans came On that 9th April we woke to the roar of aeroplanes swooping so low over the roofs of the town that we could see the black iron crosses painted on the underside of their wings when we leaned out of the windows and looked up In this exquisite novel readers will find the crystalline prose and depth of feeling they adored in Per Petterson s *Out Stealing Horses* a literary sensation of 2007 A brother and sister are forced ever more closely together after the suicide of their grandfather Their parents neglect leaves them wandering the streets of their small Danish village The sister dreams of escaping to Siberia but it seems increasingly distant as she helplessly watches her brother become more and more involved in resisting the Nazis

[Darkening Scandinavia](#) Francisc-Norbert Ormeny, 2013-11-18 *Darkening Scandinavia* attempts to reveal in a philosophical and poetical key the profound and unique existential aesthetic and phenomenological intuitions to which the metal bands *Lake of Tears* from Sweden and *Burzum* from Norway the visionary Danish cinematic team consisting of the director Nicolas Winding Refn and the actor Mads Mikkelsen and the charmingly evasive Norwegian writer Per

Petterson have managed to give deeply moving dark expressions The book is a post modern Heideggerian meditation on what could constitute the true nature of the Northern Darkness written with a capital D and on the incredibly visceral prevalence of the primordial Void in the Nordic soulscapes a propensity signalled by means of phantasmagorical and allegorical projections The author of the these four essays assumes the role of not only an interpreter but also as a continuator of the philosophical messages of the phenomenological intuitions and of the aesthetic catalysts present in the texts of the four analyzed subjects By addressing in an academic inter and trans disciplinary ahistorical manner some of today s mysterious canonic niches the book cultivates a healthy intellectual curiosity and a special sense of theoretical escapism **Echoland** Per Petterson,2022-02-01 The shimmering windswept first novel by the internationally acclaimed author of *Out Stealing Horses* **Echoland** is the powerful and emotionally resonant first novel from Per Petterson Written in the mold of his early story collection *Ashes in My Mouth* *Sand in My Shoes* it features a young Arvid Janssen who is now twelve on the verge of his teenage years and beginning to understand more about the world and his place in it Set over the course of a single formative summer the novel captures a series of episodes from Arvid s long visit to his grandparents home in Denmark He rides his bike around town befriends other children on the beach fishes for plaice and weathers misunderstandings with his mother and grandparents all of which Petterson imbues with the hope and yearning that come with this stage of life **Echoland** is an assured and poignant beginning for an author and character who would go on to be loved the world over **The Linguist** ,2006 [Harvard Review](#) ,2007 **Men in My Situation** Per Petterson,2022-02-01 A tender merciless portrait of a life going to pieces by the internationally acclaimed author of *Out Stealing Horses* **Men in My Situation** Per Petterson s evocative and moving new novel finds Arvid Jansen in a tailspin unable to process the grief of losing his parents and brothers in a tragic ferry accident In the aftermath Arvid s wife Turid divorced him and took their three daughters with her One year later Arvid still hasn t recovered He spends his time drinking falling into fleeting relationships with women and driving around in his Mazda When Turid unexpectedly calls for a ride home from the train station he has to face the life they ve made without him Critics have already hailed **Men in My Situation** as the equal of Petterson s international bestseller *Out Stealing Horses* in part for his unflinching portrayal of Arvid s dark night of the soul In this moment of faltering hope and despair Arvid s daughter Vigdis who he s always felt understood him best has a crisis of her own and reaches out Now he must find a way to respond to someone who after everything still needs him Reaching the heights of Petterson s best work **Men in My Situation** is a heartrending indelible story from a celebrated author *I Curse the River of Time* ,2010 Anticipating a divorce against a backdrop of the fall of communism Arvid Jansen is further dismayed by his mother s diagnosis with cancer a situation that prompts his emotionally charged quest for understanding and balance *Reading Group Choices* Reading Group Choices,2008 *Rain Taxi Review of Books* ,2008 [In the Wake](#) Per Petterson,2007-04-17 The story of Norwegian Arvid Jansen a man who finally finds the strength to confront and accept the disasters of his life **Scandinavian Review** ,2006

Literature in Translation Carol Maier, Françoise Massardier-Kenney, 2010 In the last several decades literary works from around the world have made their way onto the reading lists of American university and college courses in an increasingly wide variety of disciplines This is a cause for rejoicing Through works in translation students in our mostly monolingual society are at last becoming acquainted with the multilingual and multicultural world in which they will live and work Many instructors have expanded their reach to teach texts that originate from across the globe Unfortunately literature in English translation is frequently taught as if it had been written in English and students are not made familiar with the cultural linguistic and literary context in which that literature was produced As a result they submit what they read to their own cultural expectations they do not read in translation and do not reap the benefits of intercultural communication Here a true challenge arises for an instructor Books in translation seldom contain introductory information about the mediation that translation implies or the stakes involved in the transfer of cultural information Instructors are often left to find their own material about the author or the culture of the source text Lacking the appropriate pedagogical tools they struggle to provide information about either the original work or about translation itself and they might feel uneasy about teaching material for which they lack adequate preparation Consequently they restrict themselves to well known works in translation or works from other countries originally written in English *Literature in Translation Teaching Issues and Reading Practices* squarely addresses this pedagogical lack The book's sixteen essays provide for instructors a context in which to teach works from a variety of languages and cultures in ways that highlight the effects of linguistic and cultural transfers
