Prince Harry Not Engaged To Meghan Markle Despite Report:

SNIFFED OUT: Meghan, Harry, Disney, and the Advocacy for Human Rights, United States, United Kingdom, and the Commonwealth. Pallavi Kakoti McHugh, 2025-01-30 THE TRUE STORY OF HOW THE EIGHT DOGS OF A UNITED NATIONS WHISTLEBLOWER HUMAN RIGHTS ADVOCATE THE CREATOR OF THE WORLD S MOST RACIALLY AND POLITICALLY INCLUSIVE STORY EXPOSED DISNEY S DECEPTION AND MEGHAN MARKLE AND PRINCE HARRY S HYPOCRISY AND RACE BAITING Meghan Markle was a little known actress from America barely recognized as a suitcase girl on Deal or No Deal the oral sex girl in 90210 and later in the cable TV show Suits Her fame skyrocketed after her marriage to Prince Harry in 2017 which featured a lavish wedding costing around 46 million largely funded by the British royal family and UK taxpayers Inviting mainly Hollywood celebrities it appeared to be a networking event rather than a traditional royal affair In 2020 videos emerged of Meghan and Harry pitching themselves to Disney executives sparking embarrassment worldwide with even Beyonc looking uncomfortable This incident led me to suspect that there s a deeper issue at play regarding Meghan s true intentions and her use of her royal status for personal gain and Disney s public image As a person of color from the Commonwealth married to a white man for 20 years I was disgusted by the Oprah interview with Meghan and Harry in March 2021 Their claims of racism within the British Royal Family and media especially while Prince Philip was on his deathbed were deeply unsettling This portrayal not only created a global perception of racism in the UK but also undermined the progress made in race relations trivializing the experiences of real victims of racism like myself Prince William the future King was compelled to break the royal protocol of maintaining silence and carrying on with duties to defend himself and his family The actions of Meghan and Harry who preached compassion in words but practiced destruction further divided people worldwide based on race The late Queen Elizabeth II died a year later with both her and Prince Philip s last thoughts being that the world believed there was racism in their family and the Commonwealth would eventually break up because of it I knew there was no racist in the British royal family only a race baiter and a shrewd opportunist was present who used people of color and the Commonwealth and racism for their ambition Their actions in my opinion tried to divide the world based on race and harm racial harmony for insatiable greed for power and fame The racial harmony that is crucial for the world in so many ways was just a pawn in a dangerous scheming game for power and fame In December 2022 Meghan and Harry s documentary misled the public by suggesting that Commonwealth countries are akin to a British Empire 2 0 Discover the only legal evidence that I have guarded for 5 years that reveals Meghan Markle as a benefactor of discrimination rather than the victim she has portrayed herself to be Learn how she and Disney are negatively impacting the world and human rights in my work Sniffed Out This serves as a wake up call for the public reinforcing the belief that ultimately good triumphs over evil It s vital to safeguard your interests and the universal right to equal opportunity and we must all play our part in ensuring this and protect racial harmony from race baiters This captivating true

Meghan and Harry Lady Colin Campbell, 2024-04-16 Only in ebook An updated edition of this blockbuster narrative provides the first behind the scenes authoritative account of the Duke and Duchess of Sussex's marriage by the New York Times bestselling author of *Diana in Private* A Wall Street Journal bestseller *Meghan and Harry: The Real Story* Persecutors or Victims presents the reader with a strikingly forthright analysis of what happens when a vulnerable male raised in the traditions of the Old World and protected by a lifetime of privilege falls head over heels in love with a steely and ambitious doyenne of the New who is careless of tradition ignorant of its purpose contemptuous of its consequences and convinced that her own way is the best way even as the evidence to the contrary mounts Sunday Times best selling author Lady Colin Campbell scrutinizes with insight clarity and precision the evidence of the circumstances actions and motives of Meghan and Harry with an impeccable and aristocratically experienced vision honed by five decades in the public eye She catalogues in depth how this apparently brilliantly favoured couple came to lose their way how they exhibited profound contemptuousness for practices built up by a treasured institution over a millennium and how they were unable to understand the potential benefits of their destiny to such an extent that they managed to turn their fate on its head Contrary to their statements Meghan and Harry prove through their own actions that they are ill judged characters unable to bring the dynamism of the New to the Old or represent the dignity of the Old to the New Falling between these two stools they conspire time and again against themselves and others inviting nothing but unnecessary controversy and unintended failure despite the fact that the vast majority of onlookers originally wished them well and hoped they would successfully forge a unique way forward in their ground breaking union Lady Colin's pen allows the couple no escape from the consequences of their actions With her unrivalled access to a variety of worlds closed to most writers Lady Colin Campbell provides the reader with the opinions of diplomatic and political figures from all over the Commonwealth as well as representatives of royalty aristocracy functionaries in the political spectrum and members of the general public to whom she has access through her professional activities as a writer and broadcaster In the process she demonstrates how the couple's desire for freedom from accepted restraints allied to ambitions of a very mixed nature have led to the inevitable clashes which have characterized their activities and brought about their descent from being the most popular royal couple at the time of their marriage to the most unpopular now Meghan may well have brought her Prince in shining armour to a home in Montecito California but the author provides the reader with genuine insight into the consequences of the couple's choices through her recognition of what it has taken them to get there including infuriating the late Queen and jettisoning close family as well as friends and colleagues and she concludes that Harry and Meghan are truly their own worst enemies persecutors who present themselves as victims when a more constructive and positive approach to life would have assured them of an entirely different and more positive
