Gitman's Brief Third Edition approaches introductory finance with a focused concentration on the fundamental concepts, techniques, and practices of managerial finance. Integrating pedagogy with the concepts and practical applications necessary for a solid understanding of managerial finance, this edition equips instructors and students to concentrate on the concepts, techniques, and practices for keen financial decision making in an increasingly competitive business environment.

Principles of Managerial Finance Lawrence J. Gitman, 2006-07. Known for its time-honored, fully integrated learning system, the Eleventh Edition stays on the cutting edge with progressive new tools and fresh, thought-provoking content. Gitman's proven learning goal method provides students with a road map through the content. The overarching organization of the text is designed to conceptually link a firm's actions to its value as determined in the securities markets. Each major decision area is presented in terms of both risk and return factors and the potential impact on the owner's wealth. Every new textbook comes with MyFinanceLab, formerly known as FinanceWorks, Addison Wesley's online homework testing and tutorial system. MyFinanceLab saves instructors time with automatically graded homework and gives students the benefit of individualized study plans, unlimited practice, and immediate feedback.
