International Conference on Business and Management Dynamics 2016: Sustainable economies in the information economy

Joy E. Akahome, Michael Twum-Darko, Cyril Ogbokor, Nyaniso Mfusi Zonke, T. Sethibe, R. Steyn, Esme Mohammed, Renier Steyn, L.B. Nguenang, Mamorena Lucia Matsoso, Henry N. Ozuru, Julius Akaba, Patient Rambe, Edem Korku Agbobli, Henri-Vincent Ndjave-Ndjoy, Regis Muchemwa, Andre de la Harpe, Konosoang Mpiti, Ayodeji Afolayan, 2016-12-31 Cape Town South Africa 7 Sept 2016 8 Sept 2016 Theme Sustainable economies in the information economy Purpose To share the quality academic papers presented at the International Conference on Business and Management Dynamics ICBMD held from 7 to 8 September 2016 at African Pride Crystal Hotel and Spa in Cape Town As grey literature the proceedings are the contributions made by researchers at the conference and are considered the written record of the work that was presented to fellow conference delegates Methodology The methodology used varies from researcher to researcher but are suitable for the studies conducted Thus on the one hand studies that were subjective in nature used the interpretive paradigm where the qualitative approach adopted made use of the interview method to collect data On the other hand studies that were objectively inclined adopted the positivist philosophy and used survey questionnaires to collect data However there were some academic papers which used mixed methodology because of the nature of the study Whatever methodology used adhered to the ethos of the philosophies underpinning the methodology Contribution made to scholarship The articles come from individual researchers and each article in the proceedings is unique Mostly there is no general argument leading from one contribution to the next However it is interesting to note that in the area of economic performance it was evident that real exchange rate and net foreign direct investment contribute more towards innovations in economic growth With regard to human capital development papers presented evidence that there exists a definite need to explore the phenomenon of personal branding as limited scientific academic research has been done within the field of personal branding or on elements of the topic Thus the outcome argues that personal branding has an influence on leadership style which in turn impacts on organisational performance and related hygiene factors Furthermore it was demonstrated that current methods or strategies for enforcing institutionalisation of knowledge sharing within an organisation have not been successful and as such new strategies are needed to reinforce efforts to nurture and invigorate the institutionalisation of knowledge sharing within an organisation With regard to technology and big data impact on organisational performance it was evident that system performance memory consumption and CPU utilisation can be used as criteria to compare and evaluate big data technologies to improve organisational performance Most of the articles contribution reemphasised technology education and training as a means of digitising business and improving effectiveness Target audience The target readership is academic researchers and business leaders who require access to the latest developments in the fields of economics information management business education development studies social sciences and technology It is also for policymakers and other stakeholders who need a better understanding of the impact of new

developments on existing policies and regulations for their review or amendment

Value Management of Construction Projects John Kelly, Steven Male, Drummond Graham, 2014-09-02 VALUE MANAGEMENT OF CONSTRUCTION PROJECTS Second Edition Value Management is a philosophy set of principles and structured management methodology for improving organisational decision making and value for money It is well established in the international construction industry and has been endorsed as good practice in a range of UK government sponsored reports The authors have addressed the practical opportunities and difficulties of Value Management by synthesising background international developments and benchmarking with their own extensive consultancy and action research experience in Value Management to provide a comprehensive package of theory and practice Covering methods and practices frameworks of value and the future of value management this thoroughly updated second edition extends the integrated value philosophy methodology and tool kit to describe the application of Value Management to service delivery asset management and programmes in addition to projects products and processes In particular the new edition responds to A range of recent UK industry and government publications and most notably BS EN 16271 2012 Value management Functional expression of the need and functional performance specification the imminent update of BS EN 12973 2000 Value Management BS EN 1325 Value Management Vocabulary Terms and Definitions the changes to Value for Europe governing the training and certification of Value Management in European Union countries the UK Government s Management of Value MoV initiative and other leading reports international guidance and relevant standards Changes in Value Management practice particularly in programmes and projects Developments in the theory of value principally value for money measures whole life value option appraisal and benefits realisation Initiatives in asset management covering the management of physical infrastructure for example the suite of three standards under the generic title of BS ISO 55000 2014 Asset Management and its predecessor BSI PAS55 2008 Asset Management Specification for the Optimized Management of Physical Assets It contains a dedicated chapter of exemplar case studies which demonstrate the new areas of theory and practice and an extensive set of tools and techniques of use in Value Management practice Public and private construction clients and construction professionals such as cost consultants quantity surveyors architects asset managers engineers and project managers will all find Value Management of Construction Projects essential reading It will also be of interest to researchers and students on construction related courses particularly those at final year undergraduate and at Masters level

Project Management: Achieving Competitive Advantage Value Package (Includes MS Project 2007) Jeffrey K. Pinto, 2009 This text takes a holistic integrated approach to managing projects exploring both technical and managerial challenges It emphasizes not only individual project execution but also provides a strategic perspective demonstrating means to manage projects at the program and portfolio levels

Project Management Clifford F. Gray, Erik W. Larson, 2008 As the market leading textbook on the subject Project Management The Managerial Process 4e is distinguished by its balanced treatment of both the technical and behavioral

issues in project management as well as by its coverage of a broad range of industries to which project management principles can be applied. It focuses on how project management is integral to the organization as a whole. The 4th edition reflects the latest changes found in the practice. Other texts discuss the topics covered in this text but they do not view oversight as the project manager's operating environment as does Gray Larson.

Operations Management. How process and quality can be improved by strategic project management Louna Sbou, 2016-03-16 Seminar paper from the year 2011 in the subject Business economics Business Management Corporate Governance grade B Prifysgol Cymru University of Wales language English abstract The increasing role of operations management is based on globalization strong competition changing market structures shorter product life cycles as well as increasing customer needs and demands. Due to the fact that Operations Management concerns every product and service and its increasingly importance for all product or service providing companies the following essay focuses on that topic. In the first step the essay will provide theoretical foundations regarding operations management and particularly considering its main functional areas project management process management and quality management. The essay will continue with practical implementation on Bckerei X GmbH a German manufacturer of bakery products. The company's main problems and challenges concerning its order process will be pointed out as well as measures for improvement regarding quality and process issues via project management. The recommended action plan given in the last chapter will show why and how a strategic project can put the company on the essential basis for further quality and process development measures.

Academy of Management Learning & Education, 2007

Project Management Achieving Competitive Advantage Introduction

In the digital age, access to information has become easier than ever before. The ability to download Project Management Achieving Competitive Advantage has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Project Management Achieving Competitive Advantage has opened up a world of possibilities.

Downloading Project Management Achieving Competitive Advantage provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Project Management Achieving Competitive Advantage has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Project Management Achieving Competitive Advantage. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Project Management Achieving Competitive Advantage. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Project Management Achieving Competitive Advantage, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure

their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Project Management Achieving Competitive Advantage has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Project Management Achieving Competitive Advantage Books

1. Where can I buy Project Management Achieving Competitive Advantage books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Project Management Achieving Competitive Advantage book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
