**The Bottle Imp** Robert Louis Stevenson,2008-07 Offering an engrossing spin on a time honored theme the risky business of making a pact with the devil this short story is a radiant jewel It recounts the mercurial lot of Keawe a Hawaiian who purchases a bottle inhabited by an imp capable of granting any wish Yet this enticing object holds a dark curse anyone who dies with it in his possession will burn forever in hell And here s the rub one can sell the bottle only for less than its purchase price Keawe rids himself of the bottle after acquiring a palatial home But when he needs it again to ensure his happiness with a newfound love its cost is chillingly one cent and the responsibility of ownership becomes a good deal more complex Newly designed and typeset in a modern 5 5 by 8 5 inch format by Waking Lion Press *The Bottle imp* Robert Louis Stevenson,2005

*Playing the Hand We Are Dealt* Michael Jackson,2024-10-01 The relationship between literature and life can be construed as a counterpoint of fate and freewill Rather than equating fate to the hand we are dealt

which is reducible to the social or familial environments into which we are born this book explores the idea of fate through the books that shape our lives and under whose influence we write Writing in this sense is seen as beyond its utility of making meaning It is a way of recovering agency in the face of overwhelming experiences In juxtaposing factuality and fiction the author makes a case for a radically empirical approach to human experience *The Bottle Imp* D.
