Burma The Forgotten War:

Burma Jon Latimer,2004 Burma Jon Latimer,2004 Through festering jungle and across burning plains to high mountains and lazy rivers the Burma campaign of the Second World War involved the longest retreat in British history and the longest advance long range penetration miles behind enemy lines vicious hand to hand fighting and the horrors of forced labour Yet this strange war remains utterly fascinating with singular characters like Slim Mountbatten Stilwell and Wingate while dominated by ordinary soldiers that it gathered to itself like a whirlpool men from the ends of the earth from Britain America Canada Australia New Zealand West East and South Africa but overwhelmingly from India Dogras Sikhs Punjabis Kumaonis Madrassis and Nepalese representing every race and caste on the subcontinent were all far from home all fighting for survival against a ruthless enemy prepared to die for his emperor while the Burmese fought for their independence Jon Latimer draws these disparate strands together in a gripping narrative to describe the operations and the politics that shaped them while illustrating the experiences of thousands of ordinary people whose lives were caught up and transformed by this south east Asian maelstrom many of whom feel that like Fourteenth Army they were forgotten This book ensures that none of them are

Burma Ernest William Elliott,2006 Two soldiers one British Harry the other Japanese Tomomi and although bitter enemies share another enemy the Burmese jungles We follow them from early 1942 where they first come into contact at Sittang Bridge Tomomi is captured by Harry but Nay Mynt a Burman who hates the British rescues him Tomomi vows to kill Harry and eventually they meet face to face at Kohima On March 1945 Harry s wife Joan perishes at Smithfield Meat Market by the last Rocket to be launched from Holland On August 6 1945 Tomomi s wife Nui goes to Hiroshima to collect Tomomi s posthumously awarded medals At 8pm an airplane appears overhead Nui notices an object leaving its belly It s the last thing she will ever see

Burma Victory ,1993 *Forgotten War* Brian E. Walter,2023-12-31 A new assessment of the British and Commonwealth contribution to the defeat of Japan in the Pacific The monumental struggle fought against Imperial Japan in the Asia Pacific theater during World War II is primarily viewed as an American affair While the United States did play a dominant role the British and Commonwealth forces also made major contributions on land at sea and in the air eventually involving over a million men and vast armadas of ships and aircraft It was a difficult and often desperate conflict fought against a skilled and ruthless enemy that initially saw the British suffer the worst series of defeats ever to befall their armed forces Still the British persevered and slowly turned the tables on their Japanese antagonists Fighting over an immense area that stretched from India in the west to the Solomon Islands in the east and Australia in the south to the waters off Japan in the north British and Commonwealth forces eventually scored a string of stirring victories that avenged their earlier defeats and helped facilitate the demise of the Japanese Empire Often overlooked by history this substantial war effort is fully explored in *Forgotten War* Meticulously researched the book provides a complete balanced and detailed account of the role that British and Commonwealth forces played on land sea and in the air during this crucial

struggle It also provides unique analysis regarding the effectiveness and relevance of this collective effort and the contributions it made to the overall Allied victory

The Forgotten War David Smurthwaite,1992 *Foreign Follies* Doug Bandow,2006 The United States once was a traditional republic remaining aloof from foreign conflicts Today no problem on earth is exempt from Washington s meddling The result is an oversized military perpetual intervention and consistent conflict according to Bandow who says it s time for a new foreign policy

Building the Tatmadaw Maung Aung Myoe,2009-01-22 Ever since Myanmar regained her independence in January 1948 the Tatmadaw Myanmar Armed Forces has been crucial in restoring and maintaining law and order It is one of the most important institutions in Myanmar politics Various aspects of the Tatmadaw have been studied The most notable area of study has been the political role of the military This study looks at the organizational development of the Myanmar armed forces It analyses four different aspects of the Tatmadaw military doctrine and strategy organization and force structure armament and force modernization and military training and officer education It sets out security perceptions and policies charting developments in each phase against the situation at the time and also notes the contributions of the leading actors in the process Since early 1990s the Tatmadaw has implemented a force modernization programme This work studies rationales and strategy behind the force modernization programme and examines the military capabilities of the Tatmadaw Drawing extensively from archival sources and existing literature this empirically grounded research argues that while the internal armed security threat to the state continues to play an important role it is the external security threat that gives more weight to the expansion and modernization of the Tatmadaw since 1988 It also argues that despite its imperfections the Tatmadaw has transformed from a force essentially for counter insurgency operations into a force capable of fighting in limited conventional warfare

Arms Politics Francesco Buscemi,2025-08-15 In *Arms Politics* Francesco Buscemi tells the story of the ceasefire disarmament and rearmament of the Ta ang movement in Myanmar s Shan State through an analysis of the formation of the Palaung State Liberation Front Ta ang National Liberation Army PSLF TNLA With a focus on the circulation of weapons through the post 1991 ceasefire disarmament and rearmament years Buscemi explores how becoming and being an armed force leads to the becoming and being of a rebel polity Buscemi argues that the governance of arms and weaponry by rebel movements such as the PSLF TNLA shapes historically and spatially complex relationships among leadership rank and file civilians and civil society groups Furthermore he demonstrates that it is through the acquisition of weapons and the governing of armed collectives that rebel movements reproduce and shape the collective identity of their polity and its political geography Against the backdrop of the world s longest ongoing armed conflict *Arms Politics* shows how the processes and practices of governing weapons shape social and spatial relations of rule at the edges of state authority

War and Society in Colonial India, 1807-1945 Kaushik Roy,2006 The volume analyzes the multidimensional ramifications of the colonial state s armies and simultaneously integrates them with broader social and cultural studies

Winning by Process Jacques Bertrand,Alexandre Pelletier,Ardeth

Maung Thawngmung, 2022-08-15 Winning by Process asks why the peace process stalled in the decade from 2011 to 2021 despite a liberalizing regime a national ceasefire agreement and a multilateral peace dialogue between the state and ethnic minorities Winning by Process argues that stalled conflicts are more than pauses or stalemates Winning by process as opposed to winning by war or agreement represents the state's ability to gain advantage by manipulating the rules of negotiation bargaining process and sites of power and resources In Myanmar five such strategies allowed the state to gain through process locking in sequencing layering outflanking and outgunning The Myanmar case shows how process can shift the balance of power in negotiations intended to bring an end to civil war During the last decade the Myanmar state and military controlled the process neutralized ethnic minority groups and continued to impose their vision of a centralized state even as they appeared to support federalism *Burma's Muslims* Andrew Selth, 2003 **Burma and the Threat of Invasion** Andrew Selth, 2008 **Asian Survey**, 2007 Regiments Roger Perkins, 1994 Intended as a work of reference this critical bibliography is a description of the historical records published by or in the name of all the military para military and police forces which served the British Empire and Commonwealth It is based upon information received from 200 contributors and from contacts with 78 military libraries worldwide It gives a listing of all such books for all of the dominions colonies protectorates and mandated territories from the time of Robert Clive's India through to 1993 The British at War James Chapman, 1998-12-31 British film propaganda efforts during the Second World War have tended to be presented as a shambles James Chapman argues that this is not so in this first comprehensive history of wartime film propaganda policy in Britain He examines the role of the cinema as a vehicle of propaganda set within its institutional political and cultural contexts revealing the complex relationships between the Ministry of Information and the different sectors of the film industry The author identifies the themes and ideologies presented to audiences through analysis of key wartime films including *Forty Ninth Parallel In Which We Serve* and *The Life and Death of Colonel Blimp* He also corrects a previous misunderstanding of the role in official propaganda of short films and documentaries demonstrating how these films were as successful as commercial feature films at carrying propaganda to the nation's cinema goers Forgotten Voices of Burma Julian Thompson, 2012-09-30 From the end of 1941 to 1945 a pivotal but often overlooked conflict was being fought in the South East Asian Theatre of World War 2 the Burma Campaign In 1941 the Allies fought in a disastrous retreat across Burma against the Japanese an enemy more prepared better organised and more powerful than anyone had imagined Yet in 1944 following key battles at Kohima and Imphal and daring operations behind enemy lines by the Chindits the Commonwealth army were back retaking lost ground one bloody battle at a time Fighting in dense jungle and open paddy field this brutal campaign was the longest fought by the British Commonwealth in the Second World War But the troops taking part were a forgotten army and the story of their remarkable feats and their courage remains largely untold to this day The Fourteenth Army in Burma became one of the largest and most diverse armies of the Second World War British West African Gurkha

and Indian regiments fought alongside one another and became comrades In *Forgotten Voices of Burma* a remarkable new oral history taken from Imperial War Museum s Sound Archive soldiers from both sides tell their stories of this epic conflict
