EBOOK: Basic Marketing William Perreault, Joseph Cannon, E. Jerome McCarthy, 2013-04-16 Built on a strong foundation Basic Marketing 18e with ConnectPlus and LearnSmart provides an integrated teaching and learning solution for presenting the four Ps framework and managerial orientation with a strategy planning focus The Perreault franchise was the pioneer of the four Ps in the introductory marketing course The unifying focus of Basic Marketing has always been on how to make marketing decisions in deciding what customers to focus on and how best to meet their needs Consistent with our belief in continuous quality improvement this edition has been critically revised updated and rewritten to reflect new concepts new examples recent best practices and to tightly integrate the best digital tools in the industry for ensuring that students are prepared to engage in classroom lectures and pursue future business and marketing careers **Business Ethics** Andrew C. Wicks, 2010 For undergraduate business ethics courses The ethical training business students need to be successful in today's challenging business world Recent scandals have created a mistrust that has spread through the entire business sector jeopardising public confidence in the stock market and economy Now more than ever it's important for students to understand the moral foundations rules and implications that are vital to the core of business Business Ethics presents an in depth introduction of business ethics that emphasises the role of ethics as a critical part to management success *Love in a Time of Climate Change* Sharon Delgado, *Social Partnerships and Responsible Business* M. May Seitanidi, Andrew Crane, 2013-12-04 Cross sector partnerships are widely hailed as a critical means for addressing a wide array of social challenges such as climate change poverty education corruption and health Amid all the positive rhetoric of cross sector partnerships though critical voices point to the limited success of various initiatives in delivering genuine social change and in providing for real citizen participation This collection critically examines the motivations for processes within and expected and actual outcomes of cross sector partnerships In opening up new theoretical methodological and practical perspectives on cross sector social interactions this book reimagines partnerships in order to explore the potential to contribute to the social good A multi disciplinary perspective on partnerships adds serious value to the debate in a range of fields including management politics public management sociology development studies and international relations Contributors to the volume reflect many of these diverse perspectives enabling the book to provide an account of partnerships that is theoretically rich and methodologically varied With critical contributions from leading academics such as Barbara Gray Ans Kolk John Selsky and Sandra Waddock this book is a comprehensive resource which will increase understanding of this vital issue Business and Society Cynthia E. Clark, Kabrina K. Chang, 2025-01-07 Business and Society prepares students for the modern workplace by exploring the opportunities and challenges that individuals and businesses face in today's increasingly global and digital world The Second Edition presents unique chapters on social media big data and hacking and privacy exploring legal and ethical challenges unleashed by our society's use of and dependence on technology Corporate Social

Irresponsibility Paula Alexander,2015-02-11 Corporate Social Irresponsibility focuses on ethical failures in order to relate corporate responsibility to business ethics corporate governance and organization effectiveness The book advocates a strategic approach to CSR ethical management cannot and should not be divorced from effective management Corporate social responsibility has transitioned from oxymoron into a defining challenge of the twenty first century Taking the recent financial crisis as a starting point Alexander examines the underlying ethical and legal crises these events expose in the business world The problems that have come to light go beyond issues of firm financial performance into the integrity of the manufacturing and marketing processes and relations with consumers As such the book presents a model that resolves the apparent conflict between maximizing shareholder value and meeting the interests of other firm stakeholders Alexander presents a balanced view contrasting her model with alternative approaches The book also covers the impact of globalization on management the ethics of outsourcing the limits of regulation as well as poverty alleviation and social entrepreneurship Blending a comprehensive theoretical framework with a broad range of cases this book covers the latest major changes in US legislation as well as recent corporate scandals making it a valuable accompaniment to any course in CSR business ethics or business government and society
