the fall of Afghanistan to the nationwide crime wave we've all endured painful images of death destruction and chaos
Meanwhile radical teachings on gender and race have infiltrated our nation's schools poisoning the minds of our children all
at a time when our country feels more divided than ever before Along with these twenty first century realities can come a
feeling of despair and discouragement Indeed I hear it all the time as I crisscross the country Americans feel disheartened
and seek hope Serenity in the Storm provides that hope Despite the challenges we face there is cause for great optimism for
men and women of faith In Afghanistan the underground church is thriving On the key issues of life and liberty the Supreme
Court of the United States has delivered enormous and consequential victories In our schools voters have spoken
unmistakably against the insidious doctrines of critical race and gender theory There is no doubt that God is at work as He
hears the prayers of the faithful Taking a similar format to my New York Times bestselling book For Such a Time as This I
analyze our domestic and international challenges through the lens of faith Though we have lived through dark times and
unsettled waters the storms we face have prompted many great leaders to rise to the moment and have left a yearning in the
human heart for a Savior Jesus Christ who is walking alongside us every step of the way **Reading Book** ,1872 **The**
