Our World Little Mix:

Our World Little Mix, 2016-10-20 Celebrate Little Mix's first UK number one album *Glory Days* by reading the full story of the girls' astonishing rise to pop super stardom. *Our World* is full of exclusive photos and inspirational stories about Jade Perrie, Jesy and Leigh Anne's unique friendship. Little Mix are the UK's most successful girl band. They first found fame and each other on *The X Factor* in 2011. Five years later they have gone from strength to strength, achieving huge global success. With three platinum-selling albums in the UK and over 14 million record sales worldwide, the band are both adored by their fans and critically acclaimed for their brilliant music. In this book, the girls share the real behind-the-scenes story of both their personal lives and their success. They reveal the many highs, what it feels like to perform in front of thousands of people, the excitement of seeing your music soar to Number One around the world, but also the lows. Through it all, the girls have had each other, and their incredibly close friendship has grown stronger and stronger as the years have gone by. Now the girls are like sisters, and in this book, they share their journeys and how it feels for your dreams to come true. Brimming with exclusive photos, this book shares with us the girls' innermost secrets, their hopes and dreams for the future, their families, their relationships, their style advice, and above all, their friendship. This book is Little Mix's story in their own words and tells you everything you need to know about their lives, both in and out of the spotlight.

Creates a picture of the life of the modern suburban teenager, more vivid and revealing than any I have seen. James S. Coleman, Professor of Sociology and Education, University of Chicago. Candid, insightful observations of high school students on their experience in school. Must reading for educators. William H. Schubert, Author and Professor of Education, University of Illinois, Chicago. Enlightening, frightening, and humorous. Do you really understand what it's like to be a high school student? Can you put yourself in a student's place? *Welcome to Our World* lets you see your school from your students' points of view. Listen to what they have to say in their own words about what works and what doesn't in your school. This book will teach you to understand the complexities of students' lives, develop closer working relationships between students and educators, better prepare students for life after high school, engage students in your school reform efforts, remake your school into the learning community it was designed to be. Find out about the different realities involved in education: the organization's, the educators', and the students'. Learn how your students' realities affect their learning and their lives. Hear real-life students describe what it's like to cram academics, sports, social activities, part-time jobs, family responsibilities, and homework into their days. Alternately thoughtful, funny, eloquent, and sad, these stories written by actual high school students will illuminate your students' lives.
