**The Easy Autoimmune Protocol Cookbook** Karissa Long, Katie Austin, 2020-06-30 Nourish your body and regulate your immune system with the autoimmune protocol simplified. Includes thirty minute five ingredient and one pot meals. The autoimmune protocol AIP was developed around a simple science backed concept. What we eat or don't eat has the ability to powerfully impact our health. Written by two longtime immune disease sufferers. The Easy Autoimmune Protocol Cookbook makes this protocol both approachable and delicious. With a thorough explanation of the science behind the protocol, more than one hundred satisfying and healing recipes like Pumpkin Waffles and Pork Chops with Peaches and Parsnips created with ease and flavor in mind, as well as a sample meal plan to get you started, this book takes the guesswork and intimidation out of the protocol and provides you with everything you need to take the first steps toward healing. The Easy Autoimmune Protocol Cookbook includes Practical everyday recipes. This book contains more than one hundred recipes, many of which require no cooking, take thirty minutes or fewer to make, call for five or less ingredients, or can be made one pot or pan. Straightforward science. Understand how and why the autoimmune protocol works, including the role food plays in causing or taming inflammation, damaging or repairing the lining of the gut, and more. Accessible, nourishing ingredients. Many of the book's recipes focus on incorporating fresh and familiar whole foods into your diet, as well as introduce you to healing ingredients you may not have used before, but will soon become staples in your AIP kitchen. This book takes the complex autoimmune protocol diet and makes it simple and realistic.

**Good Clean Food** Lily Kunin, 2017-03-07 The creator of the Clean Food Dirty City brand shares 100 simple, vibrant, gluten and dairy free recipes for looking and feeling your best. In her debut cookbook, Good Clean Food, health coach Lily Kunin shares plant based recipes for irresistibly clean, wholesome food. With Lily's less is more approach, you'll learn how to create nourishing dishes, bowls, salads, smoothies, and more using gluten and dairy free ingredients. Her delicious recipes are complemented by the same vibrant, textured, and stunning photography that has become a trademark of her popular site, Clean Food Dirty City. Organized by the way that food makes you feel: awakened, nourished, cleansed, restored, sustained, and comforted. Good Clean Food highlights key ingredients that support healthy eating and clean living. The book contains a flavorful mix of recipes including Falafel Bowl with Mediterranean Millet and Green Tahini, Walnut Taco Salad, Avocado Pesto Zucchini Noodles, Evergreen Detox Bowl, Sunny Immunity Smoothie Bowl, Salted Caramel Bonbons. The book also features a Bowl Builder section that walks readers through the process of building the perfect grain bowl and provides helpful advice on how to stock a healthy kitchen and prep for the week ahead. Helpful tips and recipes instruct on using the same ingredients from your pantry for beauty enhancement, like a raw honey turmeric facemask and rosemary coconut oil hair treatment. I love this vibrant, welcoming cookbook. Instead of structuring itself around rigid rules and restrictions, it leads by delicious example, first with Lily's story of how she healed herself through food, and then most importantly with dozens of fresh, wholesome, super enticing recipes.
