Healing for Damaged Emotions David A. Seamands,1981 Recovering from memories that cause our pain Damaged Emotions Debbie Dewart,1993 This is a critical review of David Seamands book *Healing for Damaged Emotions* Seamands is an inner healer whose psychological orientation results in biblical distortions and misrepresentations Inner healing beliefs and techniques continue to deceive

many Christians A central belief is that we are the way we are because of past hurts that need to be healed through reliving the past and bringing Jesus into past events This is a deceptive combination of Freudian psychology and occult visualization The inner healer is convinced that present problems are expressions of past wounds that must be healed before the person can overcome problems of living and get on with life For those familiar with Seamands teachings this is an important revealing critique Healing for Damaged Emotions Sc David A.
