

Sleep Hygiene for Students

Sleep hygiene is a range of habits that improve your ability to fall asleep and sleep well through the night.

Why does it matter?

Obtaining healthy sleep is important for:

- Physical & mental health
- Productivity
- Overall quality of life

Most Americans would be happier, healthier, and safer if they were to sleep an extra 60 to 90 minutes per night.

How much sleep do I need?

Obtaining healthy sleep is important for:

Healthy sleep checklist

- 1 Do you usually wake up at the same time?
- 2 Do you get up before your alarm clock?
- 3 Do you feel productive during the day?
- 4 Can you survive without caffeine?
- 5 Are you always alert while driving?
- 6 Do you maintain weight easily?
- 7 Is your skin clear and glowing?
- 8 Do you often feel happy and motivated?

If you have at least one "no" answer, consider changing your sleep habits.

Staying awake for 24 hours equates to a blood alcohol content of 0.10 % (higher than the legal limit of 0.08 %).

Dos & don'ts of a good night's sleep

Do:	
✓	Go to bed and get up at the same time every day. This will reinforce your body's sleep-wake cycle.
✓	Create a restful environment: dark and quiet. Use blackout curtains and earplugs.
✓	Set a soothing temperature for sleeping: the best temperature is 60 to 67 °F (16 to 20 °C).
✓	Invest in a quality mattress and bedding. Your sheets and bedding should be comfortable.
✓	Get enough physical activity earlier in the day. Regular exercise makes it easier to fall asleep.
✓	Try mindfulness techniques to quiet your brain. Use breathing exercises to relax.

Don't:	
✗	Take your phone or other devices to bed. Blue light delays the release of melatonin.
✗	Eat large meals before bedtime. This might keep you up and cause weight gain.
✗	Use stimulants like caffeine or nicotine in the evening. They stay in the body for up to 5 hours.
✗	Drink alcohol close to bedtime. It decreases sleep quality by increasing awakenings.
✗	Use your bed for studies, work, or other activities. It is for sleeping.
✗	Exercise in the evening. Finish your workout at least 3 hours before you go to bed.

Simple Sleep Hygiene Tips Guide For Students:

A Clinical Guide to Pediatric Sleep Jodi A. Mindell, Judith A. Owens, 2015-05-04 Sleep disorders have a significant impact on a child's physical, emotional, cognitive, and social development and greatly affect the family as well. Fortunately, today's health care providers have highly effective medical and behavioral interventions at their disposal for treatment and prevention. **A Clinical Guide to Pediatric Sleep: Diagnosis and Management of Sleep Problems**, 3rd Edition synthesizes current information on the assessment and treatment of sleep disorders in children and adolescents and gives you the practical tools you need to recognize, evaluate, and treat sleep issues. This state-of-the-art resource provides comprehensive, user-friendly guidance on pediatric sleep that will help you improve the lives of your patients and their families. Stay up to date with current information on the etiology, clinical assessment tools, and management of specific sleep disorders in children and adolescents. Quickly find the information you need thanks to logically organized chapters that cover sleep physiology, developmental aspects of sleep, sleep diagnostic tools, the most common pediatric sleep disorders, pharmacology (including stimulants such as caffeine) and special populations. Use handy algorithms to evaluate common presenting symptoms and develop an effective treatment plan. Educate parents and caregivers about normal sleep and offer primary and secondary prevention strategies to be used at home. Keep your practice up to date with new diagnostic criteria, revised and new practice guidelines from the American Academy of Sleep Medicine and the American Academy of Pediatrics, and updated and new clinical screening and parent handouts for each age group. Access an extensive collection of appendices online, including professional resources and expanded list of intake and screening questionnaires and parent education handouts for each age group and each sleep disorder.

The Compassionate-Mind Guide to Ending Overeating Ken Goss, 2011-07-13 You know the cycle: you have a stressful day and find yourself snacking or overeating at dinner to make yourself feel better. The ritual of eating becomes so calming you can't stop, and the guilt and self-criticism you feel can lead you to overeat even more the next day. What you may not know is that simply replacing your negative feelings with compassion for yourself can interrupt this cycle so that you can meet your emotional needs without resorting to overeating. **The Compassionate Mind Guide to Ending Overeating** presents an evidence-based program designed to help you grow a deep and abiding love for your body and health that transcends your emotional connection with food. As you work through the worksheets and evaluations in this book, you'll discover the specific reasons for your overeating, find out which foods trigger you to overeat, and then develop satisfying meal plans for getting your eating back on track. You'll also build compassionate mind skills for dealing with stress, self-criticism, and shame, and establish a balanced eating pattern that will free you from the overeating cycle.

The Expert Guide to Sleeping Well Chris Idzikowski, 2019-03-19 Most people in the West fail to get enough sleep, which can contribute to serious health problems. Reading this book and acting on its advice could be the single best thing most people can do to boost their health and wellbeing. Lack of sleep is not just a matter of feeling tired. Recent research has shown that it is

associated with serious illnesses such as high blood pressure diabetes heart disease and even cancer The big question is what can we do to get more sleep Who can we turn to for a sympathetic and knowledgeable one to one consultation The answer is to one of the world s leading sleep experts Professor Chris Idzikowski who here reveals his wisdom in a down to earth and reassuring way The Introduction answers four basic questions What is sleep What is dreaming What is tiredness What is fatigue Chapter One takes a fascinating look at the history of sleep showing how social and environmental factors have affected human experience Chapter Two tells us what science has made of sleep in a friendly easy to follow style Chapter Three gives extensive advice on how to manage your sleep whatever your particular circumstances or needs with specific advice for workers parents drivers and flyers as well as for dreamers and problem solvers also covered is our changing requirements as we age Chapter Four gives the same number of pages to sleep problems including insomnia breathing disorders circadian clock disorders nightmares and movement disorders Finally Chapter Five is a collection of concise practical tips and guidelines including a directory of sleeping pills and potions from pharmaceutical stand bys to home brewed herbal teas

Simple Sleep Hygiene Tips Guide For Students Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Simple Sleep Hygiene Tips Guide For Students free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Simple Sleep Hygiene Tips Guide For Students free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Simple Sleep Hygiene Tips

Guide For Students free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Simple Sleep Hygiene Tips Guide For Students. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Simple Sleep Hygiene Tips Guide For Students any PDF files. With these platforms, the world of PDF downloads is just a click away.
