you've already been left behind. Having a website and social media is not enough if you truly want to take advantage of unprecedented levels of connectedness; you have to create content that draws customers in. It's not about blindly expanding reach; it's about reaching out to the right audience. Today's marketplace is no longer about chasing the sale with the right approach to content; your customers will come to you. Your content must be valuable, relevant, and consistent, but how should it be implemented at the actual content creation level? This book shows you how to develop a unified strategy, create compelling content tailored to your needs, and utilize that content to its greatest advantage in order to build your brand. Discover the power of storytelling and generate effective content ideas. Plan a long-term content strategy and a content creation framework. Create great content, promote it, measure it, and analyze its performance. Extend your content's value, become a more effective writer, and develop a growth mentality. Effective content is worth its weight in marketing gold. It stands out from the noise and to the customer looks like an oasis in a desert of clickbait and paid reviews. **Inbound Content** shows you how to plan, build, and implement your content strategy for unprecedented engagement and sales. **The**

Librarian's Nitty-Gritty Guide to Content Marketing Laura Solomon, 2016-06-10. What is content marketing? Simply put, it's the most effective way to increase your value to customers. When you deliver content that library users find useful and relevant, you give a compelling answer to their question: "What's in it for me?" Author of the best-selling book *The Librarian's Nitty-Gritty Guide to Social Media*, Solomon speaks directly to public relations personnel, web librarians, and other staff responsible for the library's online presence. Filled with nuts and bolts advice on how to increase the library's value to its users, her guide defines the essential characteristics of effective content marketing, explores methods of audience assessment, demonstrates how to optimize content for sharing, explains the elements of an editorial calendar for sustainable content, and shows how to create once and re-purpose many times. Describes meaningful metrics for the library context, points out 5 common mistakes and how to avoid them, provides a template for creating personas, and includes first-hand accounts from library marketers. Making content marketing concepts bite-sized and easily digestible, this guide shows libraries how to market effectively by focusing on what library users find useful and relevant. **Understanding Digital Marketing**
