

The background of the cover is a microscopic image of cells, likely from a tissue sample, stained with various fluorescent dyes. The cells are densely packed in the lower-left quadrant and become sparser towards the upper-right. A thin, light blue line is drawn over the image, forming a smooth, bell-shaped curve that represents a normal distribution. The curve starts near the bottom left, rises to a peak in the upper left, and then descends towards the bottom right. The text is overlaid on the dark background of the cover.
